Notice is hereby given that Surrey County Council have made an Order under sections 1 (1), (2), (3) and 84D (1) of the Road Traffic Regulation Act 1967 as amended by Part IX of the Transport Act 1968 Schedule 19 to the Local Government Act 1972 and Schedule 6 to the Road Traffic Act 1974 which has the effect of prohibiting any vehicle the width of which, inclusive of any load on the vehicle exceeds 6 feet 6 inches, from proceeding in either direction in Markenfield Road and/or Recreation Road, Guildford.

The provisions of the Order do not apply in respect of such vehicles proceeding in Markenfield and Recreation Roads if they are being used for the purposes of access to adjacent premises or in connection with any works taking

place on or adjacent to Markenfield and Recreation Roads, by emergency services or by a local authority or water authority acting in pursuance of statutory powers.

The Borough of Bromley (Footpath No. 115) *Public Path Diversion Order* 1978

Notice is hereby given that on 28th June 1979 the Secretary of State for the Environment confirmed the above-named Order.

The effect of the Order as confirmed is to divert that part of the Public Right of Way running from Sundridge Avenue, Bromley to the point marked A on the map contained in the said Order and running in a generally south-westerly direction for a distance of 640 metres to the point marked B on the said map to a line running from the aforementioned point A on the said map running in a south-westerly direction approximately parallel to the existing public right of way for a distance of about 670 metres to rejoin the same at the said point marked B on the said map.

A copy of the confirmed Order and the map contained in it has been deposited at the Town Hall, Bromley and may be inspected there free of charge between the hours of 9 a.m. and 4 p.m. on any weekday.

This Order becomes operative as from the date on which it is certified by the London Borough of Bromley that the provisions of Article 2 of the said Order have been complied with but if any person aggrieved by the Order desires to question the validity thereof or of any provision contained therein on the grounds that it is not within the powers of the Town and Country Planning Act 1971, or on the grounds that any requirement of the Act or any Regulation made thereunder has not been complied with in relation to the confirmation of the Order, he may under section 244 of the Town and Country Planning Act 1971 within six weeks from the date hereof make application for the purpose to the High Court.

CANTERBURY CITY COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971—SECTION 277

The Canterbury City Council (The Bishopsbourne Conservation Area No. 2) *(The Kingston Conservation Area No.* 1).

Notice is hereby given that on 6th June 1979 the Canterbury City Council designated the above areas as Conservation Areas for the purposes of section 277 of the Town and Country Planning Act 1971.

Plans of the areas are contained in the corresponding Public Notice appearing in "*Town Crier*" published by the *Kentish Gazette* on 3rd August 1979. Plans may also be examined at the City Architect's Department, Dane John, Canterbury during normal office hours and the existence of the Conservation Area will be revealed on Local Land Charges searches of properties affected thereby.

No building or structure may be demolished within either of the conservation areas without the consent of the Canterbury City Council or the Secretary of State for the Environment subject to certain exceptions the most important of which are set out below.

No consent for demolition will be required in respect of:

(*a*) Buildings with a cubic content not exceeding 115 cubic metres;

(*b*) Any separate buildings erected as *permitted development* under the provisions of Class I (within the curtilage of a dwellinghouse), Class IV (temporary buildings), Class VI (Agricultural Buildings) and Class VIII (Industrial buildings) of Schedule 1 to the Town and Country Planning General Development Order 1977; also gates, fences or walls erected under Class II of Schedule 1 to that Order.

(*c*) Any building required to be demolished by virtue of an Order or Notice under planning legislation, the provisions of any agreement under section 52 of the Town and Country Planning Act 1971 or by virtue of conditions in a planning permission.

(*d*) Buildings included in an operative clearance order or Compulsory Purchase Order or Demolition Order under the Housing Act 1957.

Listed buildings and ancient monuments subject to control under ancient monuments legislation will continue to remain under existing controls.

An application for consent to demolish a building within a Conservation Area may be made as a separate application or as part of an application for planning permission to redevelop the site of the building. In the latter case however the granting of planning permission for redevelopment of the site shall not be deemed to include consent for the demolition of the building unless the planning permission expressly states that such consent is granted.

By virtue of section 61A of the Town and Country Planning Act 1971 it is an offence to cut down, top, lop, uproot or damage in any way without the consent of the Local Planning Authority any tree in a conservation area apart from certain exceptions details of which may be obtained from the City Architect and Planner. Accordingly all trees in the Conservation areas above named are protected as though they were the subject of Tree Preservation Orders. This does not however prevent the cutting down, uprooting, topping or lopping of trees which are dying or are dead or have become dangerous but in that event it is the duty of the owner of the land to plant a replacement tree at the same place as the original tree unless the Local Authority dispenses with this requirement.
