WATER RESOURCES ACT 1963

NOTICE OF PROPOSAL FOR THE VARIATION OF A LICENCE TO ABSTRACT WATER

Notice is hereby given that the South West Water Authority have formulated proposals for the variation of a Licence to abstract water as follows: Licence No. 14/50/08/0559/01&09/39&12 authorises (a) the abstraction from the River Bray at National Grid Reference SS 677399 of 34,000 cubic metres (7.5 million gallons) of water per day, with a total of 4.023 million cubic metres (885 million gallons) per annum, subject to a provision that abstraction shall be restricted to not more than half the natural flow in the river at any time; and (b) the abstraction from the Wistland-pound Reservoir of 13,600 cubic metres (3 million gallons) per day, with a total of 4.546 million cubic metres (1,000 million gallons) per annum; (a) and (b) being subject to an aggregate annual abstraction of 5 million cubic metres (1,100 million gallons).

The proposed variation is to authorise the abstraction of 2,300 cubic metres (.5 million gallons) of water per day from a stream intake at Brockenburrow at National Grid Reference SS 652417 during the period 31st October to 31st March each year, subject to a residual flow of 318 cubic metres (70,000 gallons) per day, and subject to abstraction from the River Bray at National Grid Reference SS 677399 being reduced by an equivalent quantity when abstraction is effected at Brockenburrow. This variation will enable a gravity supply to flow to the Hore Down Treatment Plant and obviate pumping from the River Bray to the Plant during the winter months, thus conserving energy resources.

A copy of the draft variation, and of any relevant plans may be inspected free of charge at the offices of the Authority at 3-5 Barnfield Road, Exeter, and at Greenville House, Bouthport Street, Barnstaple, at all reasonable hours during the period beginning on 7th February 1980 and ending on 6th March 1980.

Any person who wishes to make representations about the proposal should do so in writing to the Director of Administration, South West Water Authority, 3-5 Barnfield Road, Exeter EX1 1RE, before the end of the said period.

After the expiry of the period set for the inspection of the documents and the submission of representations the Authority will be entitled to pass a resolution by virtue of which a variation of the said Licence authorising the proposal shall be deemed to be granted unless the Secretary of State for the Environment, either in consequence of any representations made in respect of

the proposal or otherwise, requires an application for the variation of the Licence to be made to him.
