## NORTH KESTIVEN DISTRICT COUNCIL

#### TOWN AND COUNTRY PLANNING ACT 1971

#### *Designation of Conservation Areas*

Notice is hereby given that the North Kesteven District Council, pursuant to section 277 of the Town and Country Planning Act 1971, have varied the following Conservation Area:

#### *Wellingore Conservation Area : Amendments to original boundary*

Two amendments have been made to the original conservation area boundary:

- (i) a minor amendment to the boundary at the western end of Barnes Lane; and
- (ii) a substantial alteration to the boundary between the A607 and Pottergate Road, south of Wellingore Hall.
  - (i) Moving southwards along the existing boundary to the west of 'Hill House', the new boundary turns eastwards along the field boundary on the south side of Barnes Lane (at this point a track) and runs for approximately 30 metres up to the western garden boundary of 'Windy Ridge', the western-most property on the south side of Barnes Lane. The new Conservation Area boundary then turns southwards for approximately 30 metres along this garden boundary to the treed paddock to the south of 'The Vicarage' (off Vicarage Lane) to return westwards to the original conservation area boundary along the northern edge of the paddock.
  - (ii) From the southern-most point of the original conservation area boundary on the western side of the A607 the new Conservation area boundary runs south-eastwards across the A607 and along the north side of a track which passes through a belt of trees on the eastern side of the A607. The boundary then turns northwards along the eastern side of the belt of trees (O.S. 2244) and then eastwards along the southern boundary of O.S. 3146 to link with another group of trees. At this point the new boundary turns southwards around the south-western edge of the woodland which encloses a pond (O.S. 4138), then eastwards around the northern edge of O.S. 4536, passing through the woodland between O.S. 4842 and O.S. 5521 to eventually arrive at Pottergate Road via the southern garden boundary of 'The Chase', the first dwelling on the western side of Pottergate Road as Wellingore is entered from the south along Pottergate Road. The new boundary then crosses Pottergate Road and heads northwards along the eastern side of Pottergate Road to rejoin the original conservation area boundary close to the junction of Pottergate Road and Sleaford Road.

(N.B. Ordnance Survey land parcels relate to O.S. metric sheet SK9856-9956).

The main effects of Conservation Area designation are that, subject to certain exceptions, the consent of the local planning authority is required to the following operations within the conservations areas:

- (1) The demolition of any building
- (2) The cutting down, topping lopping or uprooting of any tree

Plans showing the conservation area can be inspected at the address below during normal office hours.

## SALISBURY DISTRICT COUNCIL

*The Amesbury & West Amesbury Conservation Area Designations 1980*

Notice is hereby given that the Salisbury District Council, as local planning authority, in pursuance of the powers conferred upon them by section 277 of the Town and Country Planning Act 1971, as amended by the Town and Country Amenities Act 1974, have designated the areas specified in the Schedule hereto at Amesbury and West Amesbury as conservation areas, being areas of special architectural or historic interest the character or appearance of which it is desirable to preserve or enhance.

A plan showing the boundaries of the conservation areas is available for public inspection during normal office hours at the offices of the Planning Department, Salisbury District Council, Salisbury.

*The Amesbury Conservation Area*

From the north-west corner of Vespasian's Camp, the northern boundary of the conservation area runs eastwards along the southern edge of trunk road A303.

Upon reaching Countess Roundabout, the boundary turns southwards, following the western edge of Countess Road. It crosses High Street, continuing southwards along The Centre for approximately 100 metres, then moves eastwards to encompass the Library/Health Centre complex, premises known as The Brambles, and The Greyhound public house and car park.

The boundary then swings westwards to run along the southern edge of Earls Court Road and thence into Smithfield Street, re-crossing The Centre to continue along the south side of Salisbury Street. Turning into Flower Lane, the boundary of the conservation area encompasses 71 Salisbury Street and the property to its rear, skirts the back of Nos. 15 and 16 Flower Lane, the telephone

exchange and premises in Church Lane, and intersects Church Street immediately to the south of Rodden Cottage. It then swings south-westwards to follow Church Street, continuing along the south side of Stonehenge Road until it reaches the junction to West Amesbury, at which point the boundary turns northwards to run along the track bordering the west side of Vespasian's Camp.

#### *The West Amesbury Conservation Area*

Commencing at the junction between Stonehenge Road and the turning to West Amesbury, the boundary of the conservation area extends southwards to the River Avon, crossing this to swing south-westwards and follow the south bank for a distance of some 740 metres. It then runs along a drainage ditch until it strikes the Wilsford Road, at which point it turns northwards for some 115 metres. The boundary then moves westwards to follow the western edge of Coneybury Hill Plantation, continuing northwards along a farm track until it reaches Stonehenge Road where it turns eastwards, following the north side of the road as far as Vespasian's Camp.

#### *Conservation Areas—Particulars of the Effect of Designation*

Attention is drawn to the provisions of the Town and Country Amenities Act 1974 and, in particular, to the extended powers of local authorities in dealing with conservation areas; the preservation of historic buildings; and the strengthening of the provisions for the protection of trees.

Please note that it is necessary to obtain the consent of the appropriate local planning authority to demolish any building, or a part of a building, with certain exceptions, which is situated in a designated conservation area. Persons intending to demolish a building in such areas are strongly advised to consult the Salisbury District Council to ascertain whether or not their proposals are affected by the provisions of the Town and Country Amenities Act 1974.

It is an offence to demolish a building or a part of a building, within a designated conservation area, without the necessary consent having first been obtained from the appropriate local planning authority.

It should be further noted that any person having it in mind to cut down, top, lop, uproot, wilfully damage or wilfully destroy any tree in a designated conservation area, must give the Salisbury District Council 6 weeks' notice of his intention to do so. The Salisbury District Council is required to keep a register of such notices and the register is open to public inspection. If the work specified in any notice given is not completed within two years, a further notice will be needed. If the work is begun without due notice (or without the District Council's specific consent within the 6 weeks' period) the person concerned will become liable to the penalties applicable to similar contraventions of a tree preservation Order and the owner becomes similarly liable to replant.

Amending Regulations in relation to tree preservation Orders have been made by the Secretary of State for the Environment, which also include the exempted cases in which the new protection for trees in conservation areas is not to apply.

Persons intending to do any work to a tree or trees in a designated conservation area are strongly advised to consult the Salisbury District Council to ascertain the requirements of the Town and Country Amenities Act 1974 in relation to the protection of trees in designated conservation areas.
