The restrictions would be brought into effect by a Traffic Regulation Order which would prohibit waiting at any time on both sides of the road from a point 62 metres west of its cul-de-sac head.

New Mills Yard

Norwich City Council proposes to close New Mills Yard to through traffic to improve the general safety for pedestrians and other road users.

The closure would be brought into effect by a Traffic Regulation Order which would close New Mills Yard at a point adjacent to the north end of the Pumping Station, 66 metres north of its junction with Westwick Street, to any person driving a motor vehicle but vehicular access would remain from either end up to the point of closure. Exemptions would be made for cyclists and emergency services.

Lower Clarence Road Area

Norwich City Council proposes to amend the waiting restrictions in Lower Clarence Road, Stracey Road, Clarence Road and Cedar Road to rationalise traffic arrangements and allow access to private property.

The amendments would be brought into effect by a Traffic Regulation Order which would have the following effect:

(a) to prohibit waiting at any time on the following lengths of road:

- (i) on both sides of Stracey Road from its junction with Thorpe Road for a distance 11 metres south of that junction;
- (ii) on both sides of Stracey Road from its junction with Lower Clarence Road for a distance 11 metres north of that junction;
- (iii) on the east side of Stracey Road for a distance of 5.5 metres between Nos. 2 and 4, Stracey Road to protect access to a private garage. The present day time (Mondays to Saturdays) waiting restrictions applying to the remainder of the east side of the road would be revoked;
- (iv) on the west side of Cedar Road from a point adjacent to No. 36 for 8.5 metres towards the junction with Carrow Road. The remaining 11.5 metres to the junction with Carrow Road would be limited to thirty-minute waiting between 8 a.m. and 6.30 p.m. Mondays to Saturdays;
- (v) on both sides of Lower Clarence Road from a point 15 metres west of its junction with Stracey Road to a point 15 metres east of that junction;
- (vi) on the south side of Lower Clarence Road from a point 15 metres east of its junction with Stracey Road to a point 76 metres east of that junction;
- (vii) on the north side of Lower Clarence Road between the frontages of Nos. 10 to 18, Lower Clarence Road, inclusive;
- (viii) on the south side of Lower Clarence Road from a point 29 metres west of its junction with Clarence Road to a point 36 metres west of that junction;

(b) to amend the remaining daytime waiting restrictions in Lower Clarence Road and Clarence Road to prohibit waiting between 8 a.m. and 6.30 p.m. Mondays to Saturdays instead of 8 a.m. to 7 p.m. as operates at present;

(c) to remove the present daytime waiting prohibition on the remainder of the east side of Stracey Road.

Hellesdon Hall Road

Norwich City Council proposes to close a length of Hellesdon Hall Road which is necessary to facilitate the industrial development of the east of Sweet Briar Road.

The proposal which would be brought into force by a Traffic Regulation Order would close Hellesdon Hall Road to all traffic except emergency vehicles and pedal cycles from a point 47 metres from its junction with Drayton Road to a point 130 metres from that junction.

The junction of Sweet Briar Road and Hellesdon Hall Road will be re-opened as a signal-controlled junction.

Copies of the draft Orders together with maps may be inspected at my offices at City Hall during normal office hours. Telephone enquiries to Norwich 22233 extensions 343 and 459.

There would be exceptions to the waiting restrictions to allow a vehicle to pick up or set down passengers, load or unload goods, for disabled persons' vehicles and for waiting in connection with building operations, postal services and the maintenance of roads and all mains services.

If you wish to object to the proposals you should send me your reasons in writing by not later than 21st May 1980.
