NORTH YORKSHIRE COUNTY COUNCIL

RICHMONDSHIRE DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

*Designation of Conservation Area at Hudswell*

Notice is hereby given that the County Council of North Yorkshire and the District Council of Richmondshire as local planning authorities have determined that parts of their area at Hudswell, which are more particularly described below, are areas of special architectural or historic interest the character or appearance of which it is desirable to preserve and enhance, and accordingly have designated the said areas as a Conservation Area in pursuance of the

provisions of section 277 of the Town and Country Planning Act 1971 as amended by the Town and Country Amenities Act 1974.

The part of Hudswell which has been so designated is as follows:

The area covers the old nucleus of the village.

The northern boundary runs eastward from the north-east corner of the playground for approximately 260 feet to include those properties which front onto the village street and the land and properties immediately to the rear.

The eastern boundary bears south to include the barns to the west of Holbrook and crosses the roads in front of, but excluding Arklie Terrace.

The village street marks the boundary between that area to the north administered by the Yorkshire Dales National Park Committee and that to the south administered by the Richmondshire District Council.

The southern boundary then steps behind the curtilages of those properties which front onto the village street and runs south-west for approximately 240 feet.

The western boundary runs northwards immediately west of Windy Ridge for approximately 80 feet, steps west to include South View and then follows north-north-east along the eastern edge of the playground.

Notice is hereby further given that pursuant to the provisions of the Town and Country Amenities Act 1974 the designation of the above area as a Conservation Area includes the extended controls requiring the prior consent of the local planning authority to the demolition of any building within the area and also requires 6 weeks notice to be given of an intention to fell, top, lop or in any way damage a tree within the Conservation Area other than trees contained in an existing Tree Preservation Order.

A map defining the area which has been designated may be inspected during normal office hours at the Yorkshire Dales National Park Department, Yorebridge House, Bainbridge or at the Richmondshire District Council Offices, Swale House, Richmond.
