

**ROAD TRAFFIC REGULATION ACT 1967;
SECTION 12 (1)**

The Trunk Road (Colchester Northern Bypass) (A12) (Temporary Prohibition and Restriction of Traffic) Order 1980.

Notice is hereby given that the Minister of Transport proposes to make an Order on the London-Great Yarmouth Trunk Road (A12).

The Order, which is being made to enable works to be carried out, will be in operation, when the appropriate signs are erected, from 8th September 1980 until such time as the works have been completed. The works referred to are associated with the construction of a bridge to carry the Colchester Eastern Bypass over the Colchester Northern Bypass.

The effect of the Order will be to close the southern (westbound) carriageway of the trunk road from a point 122 metres east of Whitehouse Bridge (A1232) to a point 107 metres west of Severalls Lane Bridge. Traffic on the southern (westbound) carriageway will be diverted onto the fast lane of the northern (eastbound) carriageway. The northern (eastbound) carriageway will also be closed between a point 324 metres west of Whitehouse Bridge and a point 400 metres east of Severalls Lane Bridge and both eastbound and westbound traffic will be diverted onto a newly constructed road between these two points. The lengths of closure and nature of diversions may be changed, where works demand, but within the lengths quoted above and, at all times, the prohibitions and restrictions imposed will be signed in accordance with the Traffic Signs Regulations and General Directions 1975.

Overtaking will be prohibited on both carriageways and on the diversions throughout the lengths quoted in the Order.

It is envisaged that the works should be completed within 12 months and that the Order will be in effect for that time with the exclusion of the months of July and August during which the trunk road will be restored to normal working.
