SOLIHULL METROPOLITAN BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACTS 1971-74

Designation of Olton Conservation Area

Notice is hereby given that the Solihull Metropolitan Borough Council as local planning authority hereby give notice that an area of approximately 213 acres at Olton has been designated as a Conservation Area under section 277 of the Town and Country Planning Act 1971.

The western boundary of the Conservation Area lies to the rear of the properties lining the western side of Warwick Road, Old Warwick Road and Kineton Green Road, from Brookvale Road in the north to Gunns Way in the south. The boundary then crosses Kineton Green Road and continues to the rear of the properties on the eastern side of the Kineton Green Road down to the junction with St. Bernards Road and Grange Road. The boundary continues southwards along St. Bernards Road, to include 119 St. Bernards Road and the grounds of the Franciscan Friary. The southern boundary of the area runs along Grange Road from the Friary to the Birmingham/Oxford railway line, and continues northwards along the railway line and across the northern edge of Olton Mere, and from there along the rear of the properties lining St. Bernards Road to the Warwick Road. The boundary then runs northwards along the Warwick Road to the junction with Richmond Road, and includes numbers 113-155 Warwick Road, to the north of this junction.

The reason for the said designation is that the area is considered to be of special architectural and historic interest and it is considered that it is expedient that all the property within the said area should be subject to control of any development.

Within the designated area the consent of the Local Planning Authority must be obtained before any building is demolished or partially demolished. It is also necessary to give the Authority 6 weeks notice in writing before any tree in the designated area is cut down, uprooted, topped, lopped, wilfully destroyed or damaged.

A plan showing the extent of the Olton Conservation Area is available for public inspection during normal office hours at the office of the Director of Technical Services, Council House, Solihull, West Midlands.

John Scampion, Town Clerk and Chief Executive Officer
