TOWN AND COUNTRY AMENITIES ACT 1974

#### *Designation of Conservation Areas*

Notice is hereby given in pursuance of section 277 of the Town and Country Planning Act 1971 as substituted by section 1 of the Town and Country Amenities Act 1974 that the Worcester City Council after consultation with the County Council of Hereford and Worcester have determined that the areas described in the Schedule to this Notice are areas of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance, and have accordingly designated the said areas as conservation areas.

The effect of the designation of a conservation area may be summarised as follows:

- (a) Where any application for planning permission for development of land in or adjacent to a conservation area is made to the Council and the development would, in the opinion of the council, affect the character or appearance of the conservation area, the application will be subject to the special procedure in section 28 of the Town and Country Planning Act 1971 as amended.
- (b) Anyone wishing to demolish a building or a part of a building situate within a conservation area must first apply for consent to demolition to the local planning authority. This is not taken to be included in a planning permission for re-development of the site unless, in granting the planning permission, the authority states that it includes consent to demolish the building. Some buildings may be exempt from this requirement.
- (c) Anyone wishing to cut down, top, lop or uproot a tree situate within a conservation area must give six weeks prior notice of his attention to the local planning authority.

Maps of the conservation areas may be inspected free of charge during normal office hours at the office of the City Architect and Planning Officer at Hylton Road, Worcester, or at the office of the Chief Executive and Town Clerk of Worcester City Council.
