CHESTER CITY COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971, SECTION 277

Conservation Area at Clotton

Notice is hereby given that pursuant to section 277 of the Town and Country Planning Act 1971, the Council of the City of Chester (hereinafter called "the Council") hereby gives notice that on 19th November 1980 the conservation area mentioned above was formally designated. The designation can be taken as a declaration by the Council that it wishes to see the conservation area preserved and enhanced and a principal effect of the designation is to prevent the demolition of any of the buildings in the area without the Council's prior consent.

The area affected is the majority of the built-up part of the village astride the Duddon Road extending to include Town House farm and Rose farm to the east and Laurel Bank farm and Clotton Hall to the west. The area is extended to the north-eastern side of the village to include Smithy House and the southern boundary follows along part of Crooked Lane and the track to the rear of Tollemach House.

DURHAM CITY COUNCIL

*City of Durham Council, Durham (City Centre)
Conservation Area*

Notice is hereby given that on 25th November 1980, at the meeting of its Development Services Committee the Council of the City of Durham designated the above area as a Conservation Area being an enlargement of the existing Conservation Area, pursuant to their powers under section 277 of the Town and Country Planning Act 1971.

The consequences of designation are fully described in the above Act. However, the major controls now operative are:

DEMOLITION

No building shall be demolished without prior consent and application must be made for such demolition (some minor exemptions). Specific consent will be required for demolition when planning permission is sought to redevelop the site of any building.

TREES

Anyone wishing to cut down lop or damage a tree in a Conservation Area must give six weeks notice to the City Council. This enables the Local Authority to make a Tree Preservation Order if necessary.

DEVELOPMENT

Application for planning permission for development which would affect the character or appearance of these Conservation Areas, or affect the setting of a Listed Building, must be advertised by the Local Authority before being determined.

The designation ensures that in considering the future development of the area particular attention is paid to the architectural character and it is the Local Planning Authority's responsibility after designation to prepare an enhancement plan for the area with the full participation of the residents.

Copies of the designation report and plan are available for inspection at the City Planning Office, Byland Lodge, Hawthorn Terrace, Durham City (Telephone 67131) during normal office hours.
