LAND COMPENSATION ACT 1973 (AS AMENDED)

The Minister of Transport hereby gives notice that the length of highway detailed in the Schedule below was first open to public traffic on 3rd October 1980 after completion of carriageway alterations.

Under Part 1 of the Land Compensation Act 1973 (as amended) there is a right to compensation in respect of any depreciation of more than £50 in the value of certain interests in land caused by the use of new or altered highways and resulting from specified physical factors (noise, vibration, smell, fumes, smoke and artificial lighting and the discharge on to the land in respect of which the claim is made of any solid or liquid substance). Compensation is assessed by reference to prices current at a date twelve months after the highway is first open to public traffic or, in the case of an altered highway, first open to public traffic after completion of the alterations.

Interests qualifying for compensation are specified in section 2 of the above-mentioned Act and there are special provisions relating to claims by mortgagees and persons entitled under trusts or settlements.

Compensation in such cases will not be payable before the beginning of the claim period.
