Notice is hereby given that the Council of the City of Peterborough, pursuant to arrangements made with the Cambridgeshire County Council, intend to make the above-named Order under section 1 (1), (2) and (3) of the Road Traffic Regulation Act 1967, as amended.

The construction of the new Rivergate Road Scheme makes it necessary to control movement of traffic in the southern section of Bridge Street, which is already a one-way street, between its junction with Bourges Boulevard and a point 135 metres south of that junction.

The purpose of the Order is, therefore, to prohibit any vehicle proceeding in a northerly direction along Bridge Street from entering that length of Bridge Street which lies between its junction with Bourges Boulevard and a point 135 metres south of that junction.

Nothing in 3 above will apply to:

- (a) Public Service Vehicles.

Following the completion of the Rivergate Road Scheme, it is felt necessary, in the general interest of road safety, to regulate the movement of traffic along the dual carriageway sections of Rivergate.

The effect of the proposed Order will, therefore, be to prohibit any vehicle from proceeding in either of the lengths of dual carriageway specified in the Schedule to this notice other than to keep the central island, on which is located the Police Station, on the right-hand or off-side of the vehicle.

Hansard reflects opinion on all topics of the day and is of great interest to the business or professional man. In addition to a factual word-for-word transcription of speeches in debate, it contains the answers to all Parliamentary Questions, complete Division Lists, and following each session details of the composition of the House. Proceedings up to 10 p.m. each day are reported in the issue on sale at 8.30 the following morning at the Government Bookshop in Holborn. A Weekly Edition is also published, and bound volumes are issued periodically during the session. Standing Orders can be accepted, if a suitable deposit is sent, for debates on definite subjects.
