PRIVY COUNCIL OFFICE

At the Court at
Buckingham Palace the 18th day of February 1981

Present,

The QUEEN'S Most Excellent Majesty in Council

Whereas by Order in Council (41 NPP) of the 13th day of February 1980, new awards in respect of attributable death were introduced for widows and dependants of Hong Kong naval locally engaged ratings expressed in sterling for conversion into Hong Kong dollars, and increased rates for non-attributable death, expressed in Hong Kong dollars, were notified, and it is now expedient that the rates for attributable death should be increased with effect from the 26th day of November 1980 and continue to be expressed in sterling for conversion as aforesaid, and that the rates expressed in Hong Kong dollars for non-attributable death effective from the 1st day of January 1977 specified in Order in Council (63 NPP) of 30th day of March 1977, should be re-enacted without increase:

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by the Naval and Marine Pay and Pensions Act 1865 (1865 c. 73), and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

1. This Order may be cited as the Naval and Marine Pay and Pensions (Hong Kong Locally Engaged Ratings' Attributable and Non-attributable Death Awards) Order 1981.

2. The rates and conditions of award shall be as set out in the Schedule to this Order.

N. E. Leigh

SCHEDULE

Conditions Governing the Award

A pension cannot be claimed as a right, and will not be granted or continued when the applicant is shown to be living with a man as his wife, nor will it be granted if the service of the rating has not been such as, in the opinion of the Defence Council, to justify the award.

If the death of a rating, or the wound, injury or disease which resulted in his death was due wholly or in part to his own negligence or misconduct or to any cause within his own control, any grant which might otherwise be made to his widow or other dependants may be withheld or reduced as the Defence Council may determine.

Subject to any exception which the Defence Council may approve in a particular case, a pension will not be awarded to a widow who was separated from her husband at the time of his death. Should such an exception be approved the award will be at such a rate, and subject to such conditions, as the Defence Council may determine.

Part I

Where death is attributable to service or where the Hong Kong naval locally engaged rating was receiving any rate of constant attendance allowance when he died (or would have been receiving it but for the fact that he was in a hospital or other institution).

Provided the conditions regarding relationship and age are satisfied, widows and dependants of Hong Kong locally engaged ratings may be awarded weekly pensions and allowances as follows:

1. Weekly Rate of Pension

Rank	Widow with children or 40 years of age or over or incapacitated	Any other widow
	£p	£p

Able Rating ...	17.65	4.08

2. Weekly Allowance to Elderly Widows

A widow who receives a pension under Clause 1 above may be awarded an allowance as follows:

	£ p

Aged 70 years or over ...	3.45

Re-marriage

If a widow of a Hong Kong naval locally engaged rating who has been granted a pension under the terms of this Order in Council re-marries her pension will cease on the date of her re-marriage.

3. Children

Weekly allowances for eligible legitimate children may be granted at the discretion of the Defence Council at the following rates:

				<i>If the mother is still living</i>
				£ p
In respect of each child	5.30
				<i>Motherless children</i>
				£ p

In respect of each child up to the age of 16 years ... 5.65

4. An allowance may be made in respect of a motherless child who having attained the age of 18 years is incapable of self-support by reason of infirmity which arose before the normal age limit for pension purposes.

5. Education Allowance

In addition to an allowance under Clause 3 above an allowance not exceeding £60.00 per annum may be granted for the purpose of the child's education provided:

- (a) the child has reached the age of 5 years, but where the child begins school before the age of 5 years an allowance may be granted from the beginning of the school term in the course of which the child attains the age of 5 years;

- (b) family circumstances are such as to require it.

6. Parents

If the death of a Hong Kong naval locally engaged rating is accepted as attributable to service his parent or parents may be granted an allowance subject to such conditions as the Defence Council may determine provided that:

- (a) he did not leave a widow or eligible child;

- (b) the parent or parents are in pecuniary need by reason of having reached the age of not less than 65 years (man) or 60 years (woman).

In determining an award account shall be taken of the extent to which the Hong Kong naval locally engaged rating was supporting his parents at the time of his death, and the extent to which, if he had not died, he would have been likely to continue to support them. The weekly rate shall not exceed:

- (a) where there are two parents ... £0.69
(b) in single parent cases ... £0.50

The grant shall cease on the re-marriage of the grantee under (b).

Part II

Where Death is not Attributable to Service at rates effective from 1st January 1977

1. A gratuity may be granted at Ministry of Defence discretion to widows of Hong Kong naval locally engaged ratings, who die whilst serving in the Royal Navy, on the following Scale:

- (a) Where the rating had 3 or more years' reckonable service, but less than 12 years, a gratuity as follows:

- (1) he did not leave a widow or eligible child, and
- (2) that the parent or parents are in pecuniary need by reason of having reached the age of not less than 65 years in the case of a man, or 60 years in the case of a woman, or infirmity or other adverse condition which is not merely of a temporary character. In determining whether an award shall be made, account will be taken of the extent to which the member was supporting his parents at the time of his death, and the extent to which, if he had not died, he would have been likely, in the opinion of the Defence Council, to support them.
- (b) The rate of allowance shall be at the discretion of the Defence Council but shall not exceed £0.91 a week where there are two parents and £0.66 a week in single parent cases. Provided that, in exceptional cases, this rate may be increased by a sum not exceeding £0.41 a week where there are two parents and £0.25 a week in single parent cases.
- (c) A grant shall not be transferable but, if an award has been made to the two parents, payment of the pension may be continued to the survivor at such rate as the Defence Council may determine.
- (d) A grant shall cease on the re-marriage of the grantee.

Section II. Conditions Governing The Award

Pension cannot be claimed as a right

10. (a) A pension cannot be claimed as a right and will not be granted or continued when the applicant is shown to be living with a man as his wife, nor will it be granted if the service of the member has not been such as in the opinion of the Defence Council to justify the award.
- (b) If the death of a member of the Maltese Naval Forces, or the wound, injury or disease which resulted in his death was due wholly or in part to his own negligence or misconduct or to any cause within his own control, any grant which might otherwise be made to his widow or other dependants may be withheld or reduced in amount at the discretion of the Defence Council.
- (c) If the applicant is granted any other pension or allowance from public funds on account of the service of the deceased, any pension which might otherwise be granted under this Schedule may be withheld or reduced as the Defence Council may determine.

Third Party Compensation

11. If a member of the Maltese Naval Forces is killed or dies in such circumstances that any grant is payable in respect of him under this Schedule and his widow, child or other dependent relative received compensation from or on behalf of a third party for the act, omission or circumstances which caused the death, any such compensation may be taken into consideration in assessing any grant which might be made under this Schedule; and if the compensation is received after assessment, it may be taken into consideration and the assessment may be amended or cancelled.

Effect of Separation on Widow's Pension

12. Subject to any exception which the Defence Council may approve in a particular case, a pension will not be awarded to a widow who was separated from her husband at the time of his death. Should such an exception be approved the award will be at such a rate, and subject to such conditions, as the Defence Council may determine.

Date of Commencement of Pension

13. The date of commencement of pension will be determined according to the circumstances of the case and will normally, if application is not unduly delayed, be the date following the date of cessation of the husband's disablement pension.

Belated Claims

14. If a widow dies before establishing her claim to pension, arrears of pension will not save in exceptional circumstances, be allowed to her estate.

Re-marriage

15. If a widow of a member of the Maltese Naval Forces who has been granted a pension under this Schedule re-marries, her pension will cease on the date of her re-marriage, but at the discretion of the Defence Council, she may then be granted a gratuity equal to one year's pension in full discharge of all claims.

Children

16. (a) A "child" for the purposes of the award of a pension under this Schedule means:

(1) A legitimate child of a member of the Maltese Naval Forces; or

(2) a step-child of the member who was mainly dependent on him at the time of his death; or

(3) a child adopted by the member; or

(4) an illegitimate child of the member born before or within nine months after the date on which he sustained the wound or injury, or the date on which he was removed from duty on account of the disease in respect of which his disablement pension was granted, and who was regularly maintained by the member up to the date of his death, or who was the subject of an affiliation order which was in force at the date of his death.

(b) A child's pension will normally cease when the child attains the age of 16 years, but may be granted or continued after that age:

(1) if the child continues to receive full-time education, or is an apprentice not receiving more than nominal wages; or

(2) if, before attaining the age referred to above, the child was, and continues to be, afflicted by mental or bodily infirmity and is therefore incapable of earning his, or her own living, provided the Defence Council considers that the pecuniary circumstances of the child and family are such as to justify the award.

(c) A child's pension will be paid to the widow or mother of the child, or other person responsible for the child's maintenance, or to the child direct, as may be decided by the Defence Council. (20 SI)

Section II. Conditions Governing the Award

Pension cannot be claimed as a right

10.—(a) A pension cannot be claimed as a right, and will not be granted or continued when the applicant is shown to be living with a man as his wife, nor will it be granted if the service of the Officer, rating or marine has not been such as in the opinion of the Defence Council to justify the award.

(b) If the death of an Officer, rating or marine, or the wound, injury or disease which resulted in his death was due wholly or in part to his own negligence or misconduct or to any cause within his own control, any grant which might otherwise be made to his widow or other dependants may be withheld or reduced in amount at the discretion of the Defence Council.

(c) If the applicant is granted any other pension or allowance from public funds on account of the service of the deceased, any pension which might otherwise be granted under this Schedule may be withheld or reduced as the Defence Council may determine.

Third Party Compensation

11. If an Officer, rating or marine is killed or dies in such circumstances that any grant is payable in respect of him under this Schedule and his widow, child or other dependent relative received compensation from or on behalf of a third party for the act, omission or circumstances which cause the death, any such compensation may be taken into consideration in assessing any grant which might be made under this Schedule; and if the compensation is received after assessment it may be taken into consideration and the assessment may be amended or cancelled.

Effect of Separation on Widow's Pension

12. Subject to any exception which the Defence Council may approve in a particular case, a pension will not be awarded to a widow who was separated from her husband at the time of his death. Should such an exception be approved the award will be at such a rate, and subject to such conditions, as the Defence Council may determine.

Date of Commencement of pension

13. The date of commencement of pension will be determined according to the circumstances of the case and will normally, if application is not unduly delayed be the date following the date of cessation of the husband's disablement pension.

Belated claims

14. If a widow dies before establishing her claim to pension, arrears of pension will not save in exceptional circumstances, be allowed to her estate.

Remarriage

15. If a widow of a rating or marine who has been granted a pension under this Schedule remarries, her pension will cease on the date of her remarriage, but at the discretion of the Defence Council, she may then be granted a gratuity equal to one year's pension in full discharge of all claims.

The pension of an Officer's widow who remarries shall be suspended from the date following that of her remarriage, but in the event of her again becoming a widow her pension may be restored in whole or in part at the discretion of the Defence Council for such time as she remains a widow, provided that she is otherwise qualified and that her pecuniary circumstances are such as in the opinion of the Defence Council to justify the award. Should she become eligible by remarriage for a pension at a different rate, she may be awarded that which is more to her advantage.

Children

16.—(a) A "child" for the purposes of the award of a pension under this Schedule means:

(1) a legitimate child of the officer, RN rating or RM other rank; or

(2) a step-child of the Officer, RN rating or RM other rank who was mainly dependent on him at the time of his death; or

(3) a child adopted by the Officer, RN rating or RM other rank; or

(4) an illegitimate child of the Officer, RN rating or RM other rank, born before or within nine months after the date on which he sustained the wound or injury, or the date on which he was removed from duty on account of the disease in respect of which his disablement pension was granted, and who was regularly maintained by the Officer, rating or other rank up to the date of his death, or who was the subject of an affiliation order which was in force at the date of his death.

(b) A child's pension will normally cease when the child attains the age of 16 years in the case of all Officers, ratings and other ranks, but may be granted or continued after that age:

(1) if the child continues to receive full-time education, or is an apprentice not receiving more than nominal wages; or

(2) if, before attaining the age referred to above the child was, and continues to be afflicted by mental or bodily infirmity and is therefore incapable of earning his, or her own living, provided the Defence Council considers that the pecuniary circumstances of the child and family are such as to justify the award.

(c) Children's pension will be paid to the widow or mother of the child, or other person responsible for the child's maintenance, or to the child direct as may be decided by the Defence Council.

(d) Pensions of children of Officers and of Regimental Sergeant-Majors, Royal Marines, may be issued quarterly in advance.

(e) Children's allowances will not be payable for any period during which the children are maintained in the Royal Navy, the Army or the Royal Air Force.

allowances in respect of eligible members of the family may be awarded at such proportion of the rates set out in the following Table as corresponds to the degree of disablement on which the pension is based:

TABLE

<i>Eligible Member of the Family</i>	<i>Rate for 100 per cent disablement (Weekly Rate)</i>
	£ p
(1) Wife	0.40
(2) First child where no allowance under (1) is issue	0.40

(b) The special conditions governing the grant of these family allowances shall be as follows:

(1) For a wife—if she is living apart from her husband, family element shall not be allowable in respect of her unless:

(a) she was being regularly maintained in whole or in part by her husband up to the date of any award or renewal of his disablement pension; and/or

(b) she is entitled to support under a separation or maintenance order; or

(c) the separation was caused by the husband's mental instability due to the disability in respect of which he is granted his disablement pension.

(2) "Child" in relation to a member of the Maltese Naval Forces, means:

(a) a legitimate child of the member;

(b) a legitimated child of the member;

(c) an illegitimate child of the member, who did not become legitimated upon the marriage of the member to the child's mother;

(d) an illegitimate child of the member to whom sub-paragraphs (c) and (g) of this paragraph do not apply, who was born before or within nine months after the date on which the member sustained the wound or injury, or the date on which he was removed from duty on account of the disease in respect of which his disablement pension is granted; and who has been regularly maintained in whole or in part by the member up to the date of any award or renewal of his disablement pension, or is subject to an affiliation order in force against the member;

(ii) had been brought up and wholly or mainly maintained by the member for not less than six months (or such less period as the Ministry of Defence may determine in the exceptional circumstances of any case) prior to the date on which the member's service terminated, and

(iii) has been so maintained by the member up to the date of any award or renewal of his disablement pension.

(c) The expressions "removed from duty" or "removal from duty" shall be interpreted with reference to the date of the first removal from duty on account of the disease upon which the claim in respect of disablement is based, provided that if, as the result of service subsequent to the date of receipt of the wound or injury or of removal from duty, not being service before the 1st April 1972, the member suffered material aggravation of his disability, the date of removal from duty shall be that of the latter removal on account of the disability; or, if there was no such removal, the date of termination of full pay service of the member.

(d) No award of family addition to disablement pension of a child shall be made, continued or shall continue to have effect in respect of a child who has attained the age of 16 years unless he is undergoing full time education and is under the age of 19 years.

(e) For the purposes of item (2) of the Table at sub-clause 3 (a) of this Clause, the expression "first child" means the eldest child of the member after disregarding any child in respect of whom, by virtue of the last preceding paragraph, no award of an allowance under this Clause may be made, continued or continue to have effect.

(f) No award of an allowance under Clause 4 or 9(c)(4), nor under Clause 14(e) of this Schedule (education, unemployability and treatment allowances in respect of a child of a member) shall be made, continued or shall continue to have effect in respect of a child who is over the age of 16 years unless he is:

(a) a student or an apprentice, except that such an allowance may be continued or may continue to have effect in respect of a period not exceeding 13 weeks after the child ceases to undergo full-time education as aforesaid, and that the child is under the age of 19 years, as the Secretary of State may determine in any particular case; or

(b) is incapable of self-support by reason of an infirmity which arose before he attained the age of 16 years; and

(c) in either case the circumstances are, in the opinion of the Secretary of State, such as to justify the award or its continuance.

(g) For the purposes of Clauses 4, 9(c)(4) and 14(e) of this Schedule, an award, continuance and amount of any allowance under those Clauses in respect of a child who is living apart from the member shall be at the discretion of the Secretary of State for Defence.

(h) Family additions to disablement pension in respect of an individual may be withheld if in the opinion of the Ministry of Defence the circumstances are not such as to justify a grant.

(i) Where an individual in respect of whom family addition to disablement pension is admissible is not residing with the member, the addition may, at the discretion of the Ministry of Defence, be granted independently, for the benefit of that individual, to some person other than the member.

4. Education Allowances

The amount of any allowance under this Clause shall be determined by the Ministry of Defence but the total payments made in respect of any period of 12 months shall not exceed £80 in respect of any one child.

5. Allowance for Constant Attendance

Where a member of the Maltese Naval Forces is in receipt of a pension under Clause 1 of this Schedule in respect of disablement the degree of which is not less than 80 per cent, and it is shown to the satisfaction of the Ministry of Defence that constant attendance on the member is necessary on account of the disablement, he may be awarded an allowance at a rate not exceeding £11.68 per week.

Provided that in an exceptional case of very severe disablement the allowance may, subject to such conditions, as the Ministry of Defence may determine, be increased to a rate not exceeding £23.36 per week.

6. Exceptionally Severe Disablement Allowance

Where the disablement of a member of the Maltese Naval Forces is, and in the opinion of the Ministry of Defence is likely permanently to remain, such that he is, or if he were not in a hospital or other institution, would be in receipt of an allowance for constant attendance at a

rate increased under the proviso to Clause 5 of this Schedule, he may be awarded an allowance other than injury benefit or sickness benefit at the rate of £11.68 per week.

7. Severe Disablement Occupational Allowance

Where a member of the Maltese Naval Forces is in receipt of an allowance for constant attendance at a rate increased under the proviso to Clause 5 of this Schedule, or would be in receipt of such an allowance if he were not in a hospital or other institution, he may for any period during which he is, in the opinion of the Ministry of Defence, ordinarily employed in a gainful occupation, be awarded an allowance at the rate of £5.84 per week.

Provided that no allowance shall be payable under this Clause to a member for any period in respect of which he is eligible for an award under Clause 9(b) of this Schedule.

8. Allowances for Wear and Tear of Clothing

(a) Where a member of the Maltese Naval Forces who is in receipt of a pension under Clause 1 of this Schedule in respect of an amputation regularly wears an artificial limb, he may be awarded an allowance in respect of wear and tear of clothing at whichever of the following rates is applicable:

(1) Where he wears a single artificial limb (other than a tilting table limb), £24.42 per year.

(2) Where he wears a tilting table limb or more than one artificial limb, £38.94 per year.

(b) In any other case in which the Ministry of Defence is satisfied that as a result of the pensioned disablement there is exceptional wear and tear of the member's clothing, an allowance not exceeding £38.94 per year may be awarded.

9. Allowances for Unemployable Pensioners

(a) Eligibility

Where a member of the Maltese Naval Forces is in receipt of a pension under Clause 1 of this Schedule in respect of disablement so serious as to make him unemployable, he may be awarded allowances in accordance with such of the provisions of this Clause as may be appropriate in his case:

Provided that:

(1) Such a member may be deemed to be unemployable although in receipt of earnings which are in the opinion of the Ministry of Defence, and from 26th November 1980 unlikely to exceed £514.80 per year.

(2) Such a member shall not be eligible for an award under this Clause if he is in receipt of a retirement pension (not being the contributory old age pension) or age addition.

(b) Supplementation of pension

A member receiving a pension under sub-clause (a) of this Clause may be awarded an allowance by way of supplement to his pension, at the rate of £19.01 per week.

(c) Additional allowances for dependents

When a member is awarded an allowance in accordance with sub-clause (b) of this Clause, he may also be awarded additional allowances in accordance with the following provisions of this sub-clause:

(1) Where an allowance has been awarded under Clause 3 of this Schedule in respect of a wife and children, the allowances will as from 1st October 1973 be paid at the rate appropriate to the assessment of the basic disablement pension. If at 1st October 1973 a wife is aged 60 years or over she will retain the 100 per cent disablement rate as long as she continues to be eligible for the allowance and, if on that date she is under 60 years and is working, she will retain the 100 per cent rate until she ceases to work. If she again resumes work after that date she will receive the allowance at the appropriate assessment rate.

(2) Where an allowance has been awarded under Clause 3 of this Schedule in respect of a wife or where an allowance for such person has been increased or awarded under paragraph (1) of this sub-clause the rate of the allowance may be increased by an amount not exceeding £10.76 per week, if the Ministry of Defence thinks fit

having regard to the financial circumstances of the person in respect of whom the allowance has been granted.

(3) Where the member is not in receipt of an allowance under Clause 3 of this Schedule in respect of a wife, an allowance may be awarded in respect of an adult dependant at the rate not exceeding £10.76 per week, if the Ministry of Defence thinks fit having regard to the financial circumstances of the person in respect of whom an allowance is claimed; provided that the member shall not be awarded an allowance in respect of more than one adult dependant.

(4) An allowance may be awarded in respect of any child, not being an eligible member of the family, who should, in the opinion of the Ministry of Defence, be treated as such having regard to the child's relationship to, or connection with, the pensioner and other circumstances of the case, provided that any such allowance shall be at the rate and subject to the conditions which would be appropriate under Clause 3 of this Schedule if the child were an eligible member of the family.

(5) Where an allowance has been awarded under Clause 3 of this Schedule or paragraph 4 of this sub-clause in respect of a child or children, the rate thereof is to be as follows:

Weekly Rate

	£	p
Each eligible child ...	4	95

In the case of existing awards, transitional provisions provide for the aggregate rate of these allowances to be maintained if, exceptionally, it would be reduced by the application of the new rates.

(6) Adjustment of allowances in respect of benefit payable out of public funds abroad.

Where a person to or in respect of whom an allowance or increase may be or has been awarded under the foregoing provisions of this Clause is eligible for benefit payable out of public funds under the law of any place outside the United Kingdom being benefit which, in the opinion of the Ministry of Defence, is analogous to a benefit under the National Insurance Acts 1965 to 1971, the Ministry of Defence may take the benefit into account against the allowance or increase in such manner and to such extent as may be thought appropriate having regard to any adjustment which would be made if the person were eligible for the analogous benefit under the said Acts.

10. Invalidity Allowance

(a) Where a member of the Maltese Naval Forces is awarded an allowance under Clause 9(b) of this Schedule in respect of unemployability and has not on the relevant date (whether before or after the coming into operation of this clause) attained the age of 60 years or, in the case of a woman member, the age of 55 years, he may be awarded an additional allowance as follows:

Age on Qualifying Date	Weekly Rate
Under 35 years ...	3.76
Under 45 but not under 35 years ...	2.38
45 but under 60 years (man), 55 years (woman) ...	1.19

(b) Subject to the following provisions of this Clause the relevant date for the purposes of sub-clause (a) of this Clause shall be the commencing date of the period in respect of which an allowance under Clause 9(b) of this Schedule is awarded and, if there have been two or more such periods, the commencing date of the latter or last of them.

(c) For the purposes of sub-clause (b) of this Clause where a break between two periods in respect of which an allowance under Clause 9(b) of this Schedule has been awarded does not exceed 8 weeks those periods shall not be treated as separate periods.

(d) Notwithstanding anything in the foregoing provisions of this Clause, the relevant date may be such other

date as the Ministry of Defence may determine if in its opinion the circumstances of any particular case so require.

(e) This Clause shall not apply if on the date on which it comes into operation the member is a man over the age of 65 years or a woman over the age of 60 years.

(f) The provisions of paragraph 6 of Clause 9(c) of this schedule, insofar as they provide for taking into account any benefit payable out of public funds under the law of any place outside the United Kingdom, shall apply to an allowance awarded under this Clause as they apply to a personal allowance awarded under that Clause.

11. Allowances for Comforts

(a) A member of the Maltese Naval Forces who is in receipt of a pension under Clause 1 of this Schedule may be awarded an allowance for the provision of comforts:

(1) At the rate of £5.08 per week where the member is in receipt of an allowance under Clause 5 of this Schedule and is:

(a) in receipt of an allowance under Clause 9 of this Schedule; or

(b) in receipt of pension in respect of disablement the degree of which is 100 per cent. and which has been awarded in respect of multiple injuries which in the opinion of the Ministry of Defence, render his disablement so severe as to justify the award of an allowance.

(2) At the rate of £2.54 per week if he does not qualify for an award under paragraph (1) of this sub-clause but is in receipt of an allowance under Clause 5 or Clause 9 of this Schedule.

(b) For the purposes of this Clause, a member who would be in receipt of an allowance under Clause 5 of this Schedule if he were not in a hospital or other institution shall be deemed to be in receipt of an allowance under that Clause.

12. Allowances for Lowered Standard of Occupation

A member of the Maltese Naval Forces who is in receipt of pension under Clause 1 of this Schedule, the degree of which is less than 100 per cent., who has been compelled after 1st April 1972, by reason of his disability, to adopt an occupation not equivalent to that regularly followed by him for a reasonable period before that date may be granted at Ministry of Defence discretion a special allowance at a rate not exceeding £11.68 per week so that the aggregate rate of his pension under Clause 1 of this Schedule together with the allowance under this Clause shall not exceed the rate of award which would have been appropriate in his case under the said Clause 1 if the degree of his disablement had been 100 per cent.

An allowance under this Clause shall not be payable to a member for any period in respect of which an allowance under Clause 9 of this Schedule is payable to him.

13. Age Allowance

Where a member of the Maltese Naval Forces who is in receipt of pension under Clause 1 of this Schedule, in respect of disablement the degree of which is 40 per cent., or over, has attained the age of 65 years he may be awarded an allowance in accordance with the following Table:

Degree of Pensioned Disablement	Rate of Allowance (Weekly Rate)
	£ p
40 to 50 per cent.	2.05
Over 50 but not exceeding 70 per cent.	3.17
Over 70 but not exceeding 90 per cent.	4.52
Over 90 per cent.	6.34

Treatment

14. Treatment Allowances

"Treatment" for the purpose of an award under this Clause and Clauses 15 and 16 of this Schedule means a course of medical, surgical or rehabilitative treatment which the Ministry of Defence is satisfied that a member of the Maltese Naval Forces should receive in consequence of any disablement in respect of which an award under this Order in Council or any previous Order in Council may be or has been made, but does not include any treatment which involves no, or only occasional, interruptions of the member's normal employment.

(a) A member of the Maltese Naval Forces may be awarded in respect of any period during which he received approved treatment, a treatment allowance consisting of a personal allowance in respect of himself and any additional allowance which may be appropriate in his case in accordance with the following provisions of this Clause:

Provided that:

(1) A treatment allowance shall be subject to such deductions or adjustments as the Ministry of Defence may think fit having regard to all the circumstances of the case.

(2) Where a member is in receipt of a treatment allowance under this Clause in respect of any period no payment shall be made in respect of that period of any other award under this Schedule except an award under Clauses 4, 6, 8, 9(b), 10 or 11, or in the case of treatment, other than treatment in a hospital or similar institution the whole or part of the cost of which is paid out of public funds, an award under Clause 5 or under Clause 7 subject to the provisions of sub-clause (b) of the proviso to that Clause.

(b) The personal allowance in respect of the member shall be awarded at the rate of pension which would be appropriate under this Order in Council if the degree of that member's disablement were 100 per cent.

(c) Where the member has attained the age of 65 years he may be awarded an increase of the allowance under sub-clause (b) of this Clause:

(1) at a rate equal to that of the allowance which he would be receiving under Clause 13 of this Schedule but for proviso (2) to sub-clause (a) of this Clause or at such higher rate as the Ministry of Defence may determine having regard to the circumstances of the case; or

(2) at such rate as the Ministry of Defence may determine if of the opinion that an award should be made to a person who is not eligible for an award under the preceding paragraph.

Provided that the rate of any increase under this paragraph shall not exceed £6.34 per week.

(d) An additional allowance may be awarded in respect of an eligible dependant at the rate and subject to the conditions which would be appropriate under Clause 3 of this Schedule if that dependant were an eligible member of the family and the degree of the member's disablement were 100 per cent.

Provided that where that eligible dependant is a wife (whether married to the member before or after the material date) the rate of the additional allowance in respect of that person may be increased by the rate of £8.42 per week as the Ministry of Defence may think fit having regard to the financial circumstances of that person.

In the case of existing awards, transitional provisions provide for the aggregate rate of these allowances to be maintained if, exceptionally, it would be reduced by the application of the new rates.

(e) Where a member of the Maltese Naval Forces is not in receipt of an allowance under sub-clause (d) of this Clause in respect of a wife an additional allowance may be awarded in respect of an adult dependant at the rate of £8.42 per week as the Ministry of Defence may think fit having regard to the financial circumstances of that adult dependant. Provided that the member shall not be awarded an additional allowance in respect of more than one adult dependant.

15. Allowances where Abstention from Work is necessary following treatment in a hospital or similar institution

(a) Where it is certified that a member of the Maltese Naval Forces should on completion of a course of treatment in a hospital or similar institution abstain from work in consequence of the condition which necessitated that treatment, he may be treated as if he were eligible for a treatment allowance under Clause 14 of this Schedule.

(b) This Clause shall not apply to a member of the Maltese Naval Forces who is in receipt of an allowance under Clause 9(b) of this Schedule.

16. Allowance for Part-time Treatment

Where a member of the Maltese Naval Forces receives treatment which would be treatment as defined in Clause 14 of his Schedule, but for the fact that it involves only

occasional interruptions of the member's normal employment a treatment allowance may be awarded to the member at such rate, not exceeding £9.24 per day from 4th February 1980 and £11.22 per day from 24th November 1980 as the Ministry of Defence may think appropriate having regard to any loss of remunerative time by the member as a result of those interruptions, and provided that the rate of a treatment allowance awarded to a member under this Clause in respect of any period of a week shall not exceed three times the said appropriate rate.

17. Medical Expenses

Any necessary expenses in respect of the Medical, surgical or rehabilitative treatment of a member of the Maltese Naval Forces not otherwise provided for may be defrayed by the Ministry of Defence under such conditions and up to such amount as the Ministry of Defence may determine.

3. The rates and conditions of award shall take effect from 24th November 1980 for Officers and from 26th November 1980 for ratings and other ranks.

Allowances for Eligible Members of the Family

TABLE

<i>Eligible member of the family</i>	<i>Rate for 100 per cent. disablement</i>	
	<i>Officers</i>	<i>Ratings</i>
	<i>(yearly rate)</i>	<i>(weekly rate)</i>
	£p	£p
(1) Wife	41.20	0.60
(2) First child where no allowance under (1) is in issue	41.20	0.60

(b) The special conditions governing the grant of these family allowances shall be as follows:

- (c) the separation was caused by the husband's mental instability due to the disability in respect of which he is granted his disablement pension

(2) "Child" in relation to a member of the naval forces means:

- (a) a legitimate child of the member;
- (b) a legitimated child of the member;
- (c) an illegitimate child of the member, who did not become legitimated upon the marriage of the member to the child's mother;
- (d) an illegitimate child of the member to whom sub-paragraphs (c) and (g) of this paragraph do not apply, who was born before or within nine months after the date on which the member sustained the wound or injury, or the date on which he was removed from duty on account of the disease in respect of which his disablement pension is granted; and who has been regularly maintained in whole or in part by the member up to the date of any award or

(ii) had been brought up and wholly or mainly maintained by the member for not less than six months (or such less period as the Ministry of Defence may determine in the exceptional circumstances of any case) prior to the date on which the member's service terminated, and

(iii) has been so maintained by the member up to the date of any award or renewal of his disablement pension.

(c) The expressions "removed from duty" or "removal from duty" shall be interpreted with reference to the date of the first removal from duty on account of the disease upon which the claim in respect of disablement is based, provided that if, as the result of service subsequent to the date of receipt of the wound or injury or of removal from duty, not being service after 2nd September 1939, the member suffered material aggravation of his disability, the date of removal from duty shall be that of the later removal on account of the disability; or, if there was no such removal, the date of termination of full pay service of the member.

(d) No award of family addition to disablement pension of a child shall be made, continued, or shall continue to have effect in respect of a child who has attained the child's age limit unless he is undergoing full-time education and is under the age of 19 years.

(g) Family addition to disablement pension in respect of an individual may be withheld if in the opinion of the Ministry of Defence the circumstances are not such as to justify a grant.

(h) Where an individual in respect of whom family addition to disablement pension is admissible is not residing with the member, the addition may, at the discretion of the Ministry of Defence, be granted independently, for the benefit of that individual, to some person other than the member.

Education Allowances

<i>Officers (per year)</i>	<i>Ratings (per week)</i>
£922.88	£17.70

Provided that in an exceptional case of very severe disablement the allowance may, subject to such conditions, as the Ministry of Defence may determine, be increased to a rate not exceeding:

£1,845.76	£35.40

Exceptionally Severe Disablement Allowance

6. Where the disablement of a member of the naval forces is, and in the opinion of the Ministry of Defence is likely permanently to remain, such that he is, or if he were not in a hospital or other institution would be, in receipt of an allowance for constant attendance at a rate increased under the proviso to Clause 5, he may be awarded an allowance other than injury benefit or sickness benefit at the rate of:

<i>Officers (per year)</i>	<i>Ratings (per week)</i>
£922.88	£17.70

Severe Disablement Occupational Allowance

7. Where a member of the naval forces is in receipt of an allowance for constant attendance at a rate increased under the proviso to Clause 5, or would be in receipt of such an allowance if he were not in a hospital or other institution, he may for any period during which he is, in the opinion of the Ministry of Defence, ordinarily employed in a gainful occupation, be awarded an allowance at the rate of:

<i>Officers (per year)</i>	<i>Ratings (per week)</i>

- (1) where he wears a single artificial limb (other than a tilting table limb): £37.00 a year.

(2) where he wears a tilting table limb or more than one artificial limb: £59.00 a year.

- (b) In any other case in which the Ministry of Defence is satisfied that as a result of the pensioned disablement there is exceptional wear and tear of the member's clothing, an allowance not exceeding £59.00 a year may be awarded.

Allowances for Unemployable Pensioners

9.—(a) Eligibility

Where a member of the naval forces is in receipt of retired pay or a pension under Clause 1 in respect of disablement so serious as to make him unemployable, he may be awarded allowances in accordance with such of the provisions of this Clause as may be appropriate in his case:

Provided that:

- (1) such a member may be deemed to be unemployable although in receipt of earnings which are, in the opinion of the Ministry of Defence, and from 24th November 1980, unlikely to exceed £780 per year;
- (2) such a member shall not be eligible for any award under this Clause if he is in receipt of a retirement pension (not being contributory old age pension) or age addition or graduated retirement benefit under the National Insurance Acts 1965 to 1971 or under any legislation in Northern Ireland corresponding to those Acts.

(b) Supplementation of retired pay or pension

A member of the naval forces coming within sub-clause (a) of this Clause may be awarded an allowance by way of supplement to his retired pay or pension, at the rate of:

<i>Officers (per year)</i>	<i>Ratings (per week)</i>
£1,501.63	£28.80

Provided that, in computing the said rates, account shall be taken, to such extent as the Ministry of Defence may think fit, of a contributory old age pension under the National Insurance Act 1946, or under any legislation in Northern Ireland corresponding to that Act for which the member may be eligible.

(c) Additional allowances for dependants

Where a member of the naval forces is awarded an allowance in accordance with sub-clause (b) of this Clause, he may also be awarded additional allowances in accordance with the following provisions of this sub-Clause:

- (1) Where an allowance has been awarded under Clause 3 in respect of a wife and children, the allowances will as from 1st October 1973 be paid at the rate appropriate to the assessment of the basic disablement pension. If at 1st October 1973 a wife is aged 60 years or over she will retain the 100 per cent disablement rate as long as she continues to be eligible for the allowance and, if on that date she is aged under 60 years and is working, she will retain the 100 per cent rate until she ceases to work. If she again resumes work after that date she will receive the allowance at the appropriate assessment rate.
- (2) Where an allowance has been awarded under Clause 3 in respect of a wife or where an allowance for such person has been increased or awarded under paragraph (1) of this sub-clause the rate of the allowance may be increased by an amount not exceeding:

<i>Officers (per year)</i>	<i>Ratings (per week)</i>
£849.88	£16.30

if the Ministry of Defence thinks fit having regard to the financial circumstances of the person in respect of whom the allowance has been granted.

- (3) Where the member of the naval forces is not in receipt of an allowance under Clause 3 in

respect of a wife, an allowance may be awarded in respect of an adult dependant at the rate not exceeding:

<i>Officers (per year)</i>	<i>Ratings (per week)</i>
£849.88	£16.30

if the Ministry of Defence thinks fit having regard to the financial circumstances of the person in respect of whom an allowance is claimed; provided that the member shall not be awarded an allowance in respect of more than one adult dependant.

- (4) An allowance may be awarded in respect of any child, not being an eligible member of the family, who should, in the opinion of the Ministry of Defence, be treated as such having regard to the child's relationship to, or connection with, the member, and other circumstances of the case, provided that any such allowance shall be at the rate subject to the conditions which would be appropriate under Clause 3 if the child were an eligible member of the family;

- (5) Where an allowance has been awarded under Clause 3 or paragraph (4) of this sub-clause in respect of a child or children, the rate thereof is to be as follows:

	<i>Officers (yearly rate)</i>	<i>Ratings (weekly rate)</i>
	<i>£p</i>	<i>£p</i>
Each eligible child	391.05	7.50

In the case of existing awards transitional provisions provide for the aggregate rate of these allowances to be maintained if, exceptionally, it would be reduced by the application of the new rates.

- (6) Adjustment of allowances in respect of benefit payable out of public funds abroad.

Where a person to or in respect of whom an allowance or increase may be or has been awarded under the foregoing provisions of this Clause is eligible for benefit payable out of public funds under the law of any place outside the United Kingdom being benefit which, in the opinion of the Ministry of Defence is analogous to a benefit under the National Insurance Acts 1965 to 1971, the Ministry of Defence may take the benefit into account against the allowance or increase in such manner and to such extent as may be thought appropriate having regard to any adjustment which would be made if the person were eligible for the analogous benefit under the said Acts.

Invalidity Allowance

- 10.—(a) Where a member of the naval forces is awarded an allowance under Clause 9(b) in respect of unemployability and has not on the relevant date (whether before or after coming into operation of this Clause) attained the age of 60 years or, in the case of a woman member, the age of 55 years, he may be awarded an additional allowance as follows:

<i>Age on qualifying date</i>	<i>Officers (per year)</i>	<i>Ratings (per week)</i>
	<i>£p</i>	<i>£p</i>
Under 40	297.20	5.70
Under 50 but not under 40 ...	187.70	3.60
50 but under 60 (men), 55 (women)	93.85	1.80

- (b) Subject to the following provisions of this Clause the relevant date for the purposes of sub-clause (a) of this Clause shall be the commencing date of the period in respect of which an allowance under Clause 9(b) is awarded and, if there have been two or more such periods, the commencing date of the latter or last of them.

- (c) For the purposes of sub-clause (b) of this Clause where a break between two periods in respect of which an allowance under Clause 9(b) has been awarded does not exceed 8 weeks those periods shall not be treated as separate periods.

- (d) If the unemployability in respect of which an allowance is awarded forms part of a period of interruption of employment for the purposes of the National Insurance Acts 1965 to 1971 which has continued without a break from a date earlier than the date fixed under sub-clauses (b) and (c) of this Clause, the relevant date shall be the first day of incapacity for work for those purposes in that period.

- (e) Notwithstanding anything in the foregoing provisions of this Clause, the relevant date may be such other date as the Ministry of Defence may determine if in its opinion the circumstances of any particular case so require.

- (f) This Clause shall not apply if on the date on which it comes into operation the member is a man over the age of 65 years or a woman over the age of 60 years.

- (g) The provisions of paragraph 6 of Clause 9(c), insofar as they provide for taking into account any benefit payable out of public funds under the law of any place outside the United Kingdom, shall apply to an allowance awarded under this Clause as they apply to a personal allowance awarded under that Clause.

Allowances for Comforts

- 11.—(a) A member of the naval forces who is in receipt of retired pay or pension under Clause 1 may be awarded an allowance for the provision of comforts:

- (1) at the rate of:

<i>Officers (per year)</i>	<i>Ratings (per week)</i>
£401.48	£7.70

where the member is in receipt of an allowance under Clause 5 and is:

- (a) in receipt of an allowance under Clause 9; or
(b) in receipt of retired pay or pension in respect of disablement the degree of which is 100 per cent and which has been awarded in respect of multiple injuries which, in the opinion of the Ministry of Defence, render his disablement so severe as to justify the award of an allowance.

- (2) at the rate of:

<i>Officers (per year)</i>	<i>Ratings (per week)</i>
£200.74	£3.85

if he does not qualify for an award under paragraph (1) of this sub-clause but is in receipt of an allowance under Clause 5 or under Clause 9.

Treatment

Treatment Allowances

14. "Treatment" for the purposes of an award under this Clause and Clauses 15 and 16 means a course of medical, surgical or rehabilitative treatment which the Ministry of Defence is satisfied that a member of the naval forces should receive in consequence of any disablement in respect of which an award under this Order in Council or any previous Order in Council may be or has been made, but does not include any treatment which involves no, or only occasional, interruptions of the member's normal employment.

- (a) A member of the naval forces may be awarded in respect of any period during which he receives approved treatment, a treatment allowance consisting of a personal allowance in respect of himself and any additional allowance which may be appropriate in his case in accordance with the following provisions of this Clause:

Provided that—

- (1) a treatment allowance shall be subject to such deductions or adjustments as the Ministry of Defence may think fit having regard to all the circumstances of the case.
- (2) where a member of the naval forces is in receipt of a treatment allowance under this Clause in respect of any period no payment shall be made in respect of that period of any other award under this Schedule except an award under Clause 4, 6, 8, 9(b), 10 or 11 or, in the case of treatment, other than treatment in a hospital or similar institution the whole or part of the cost of which is paid out of public funds, an award under Clause 5, or under Clause 7 subject to the provisions of sub-clause (b) of the proviso to that Clause.
- (b) The personal allowance in respect of the member shall be awarded at the rate of retired pay or pension which would be appropriate under this Order in Council if the degree of that member's disablement were 100 per cent.
- (c) Where the member of the naval forces has attained the age of 65 years he may be awarded an increase of the allowance under sub-clause (a) of this Clause:
 - (1) at a rate equal to that of the allowance which he would be receiving under Clause 13 but for proviso (2) to sub-clause (a) of this Clause or at such higher rate as the Ministry of Defence may determine having regard to the circumstances of the case, or
 - (2) at such rate as the Ministry of Defence may determine if of the opinion that an award should be made to a person who is not eligible for an award under the preceding paragraph. Provided that the rate of any increase under this paragraph shall not exceed—

Officers (per year)	Ratings (per week)
£500·54	£9·60

- (d) Except where a member of the naval forces is in receipt of an allowance under Clause 9(b) or is receiving treatment in a hospital or similar institution and is not entitled to an additional allowance in respect of a dependant under the following provisions of this Clause, he may be awarded an increase of his personal allowance:

- (1) if he is not eligible for any such benefit as mentioned in sub-clause (e) of this Clause at the following rate:

Officers (per year)	Ratings (per week)
£1,415·60	£27·15

- (2) if he is eligible for such benefit at a rate lower than the appropriate rate specified in paragraph 1 above at a rate equal to the difference between the lower rate and the rate so specified;
- (3) if he is not eligible for invalidity pension and allowance solely by reason of his failure to satisfy the contribution conditions of the National Insurance Acts 1965 to 1971, at the following rate:

Officers (per year)	Ratings (per week)
£93·85	£1·80

if paragraph (1) above does not apply and on the relevant date the member was a man under the age of 60 years.

- (e) An additional allowance may be awarded in respect of an eligible dependant (not being a child) at the rate and subject to the conditions which would be appropriate under Clause 3 if that dependant were an eligible member of the family and the degree of the member's disablement were 100 per cent; Provided that:

- (1) where that eligible dependant is a wife (whether married to the member before or after the material date) the rate of the additional allowance in respect of that person may be increased by the rate of:

Officers (per year)	Ratings (per week)
£664·79	£12·75

as the Ministry of Defence may think fit having regard to the financial circumstances of that person;

- (2) Subject to the provisions of clause 3(f) an additional allowance may also be awarded in respect of any child who is an eligible dependant at the rate of:

Each eligible child	
Officers (per year)	Ratings (per week)
£65·18	£1·25

- (3) The rate of an additional allowance awarded under sub-clause (e) of this Clause in respect of a child or children of a member may be further increased to the appropriate rate below if the member:

(a) is in receipt of an increase of his personal allowance under sub-paragraph (c) of this paragraph or but for his age on the relevant date would be in receipt of such an increase, or

(b) is in receipt of an allowance under Clause 9(b); or

(c) having reached the age of 65 years (man) or 60 years (woman) is not eligible for retirement pension under the National Insurance Acts 1965 to 1971 or any benefit similar thereto as is referred to in sub-clause (e) of this Clause, solely by reasons of his failure to satisfy contribution conditions.

Each eligible child	
Officers (per year)	Ratings (per week)
£391·05	£7·50

In the case of existing awards, transitional provisions provide for the aggregate rate of these allowances to be maintained if, exceptionally, it would be reduced by the application of the new rates.

(d) Where a member of the naval forces is not in receipt of an allowance under sub-clause (e) of this Clause in respect of a wife an additional allowance may be awarded in respect of an adult dependant at the rate of:

<i>Officers (per year)</i>	<i>Ratings (per week)</i>
£664.79	£12.75

as the Ministry of Defence may think fit having regard to the financial circumstances of that adult dependant, provided that the member of the naval forces shall not be awarded an additional allowance in respect of more than one adult dependant.

(e) The benefit referred to in sub-clause (d) of this Clause is personal benefit under the National Insurance (Industrial Injuries) Acts 1965 to 1971, sickness benefit, retirement pension, invalidity pension and allowance or contributory old age pension under the National Insurance Acts 1965 to 1971, or any benefits similar to the aforesaid benefits under any legislation in Northern Ireland corresponding to those Acts, or under the law of any place outside the United Kingdom which in the opinion of the Ministry of Defence is analogous to those Acts.

Allowances where Abstention from Work is necessary following treatment in a hospital or similar institution

15.—(a) Where it is certified that a member of the naval forces should, on completion of a course of treatment in a hospital or similar institution abstain from work in consequence of the condition which necessitated that treatment, he may be treated as if he were eligible for a treatment allowance under Clause 14.

Allowances for Part-time Treatment

Medical Expenses

17. Any necessary expenses in respect of the medical, surgical or rehabilitative treatment of a member of the naval forces not otherwise provided for may be defrayed by the Ministry of Defence under such conditions and up to such amount as the Ministry of Defence may determine.
