ROAD TRAFFIC REGULATION ACT 1967, SECTION 12 (1)

The Trunk Road (M11 and M25 Essex) (Temporary Prohibition of Traffic) Order 1981

Notice is hereby given that the Secretary of State for Transport proposes to make an Order on the London-Cambridge Motorway (M11) and the London North Orbital Motorway (M25).

A 2

The Order, which is being made to enable works to be carried out in connection with the construction of an interchange to link the M11 and M25 motorways (at present under construction) in the County of Essex, between Junctions 5 and 9 of M11.

From Autumn 1981 until Summer 1982, on certain lengths of the M11 between junctions 5 and 7 there will be carriageway closures.

When the southbound carriageway is closed, southbound traffic will be diverted to the overtaking lane of the northbound carriageway. The centre lane of the northbound carriageway will be used by light vehicles travelling in a southerly direction during the morning peak period, and in the reverse direction during the evening peak period. When possible, the centre lane will remain open to ease congestion in whichever direction it is found to be most advantageous. On certain lengths both carriageways will be closed and traffic diverted onto the newly constructed link roads within the interchange where the same traffic pattern will be used on the available three lanes.

From Summer 1982 until Winter 1982 one of the M11 carriageways will be closed and traffic will be diverted onto the remaining open carriageway, with the centre lane of that carriageway operating as above and traffic will be prohibited from the link roads.

When only two-way working (contra-flow) is in operation on a carriageway or link road overtaking will be prohibited.

There will be occasional closures of one or both carriageways of the Motorway between junctions 7 and 9, necessitated by the erection of gantries across the Motorway and the construction of the link roads. It is intended that these closures will be of short duration and the diversionary routes will be appropriately signed.

W. G. Martin, a Higher Executive Officer in the Department of Transport. (6 SI)
