ROSSENDALE BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971
TOWN AND COUNTRY AMENITIES ACT 1974

Designation of a Conservation Area, Bacup Town Centre

Notice is hereby given that on 16th December 1981 the Rossendale Borough Council, as District Planning Authority for the area, designated the town centre of Bacup as described below as a Conservation Area pursuant to section 277 of the Town and Country Planning Act 1971, as amended.

Description of the Conservation Area

"From the southern end of Bath Street the southern boundary of the conservation area runs along the rear of the public car park on the A671 (Rochdale Road) along the south side of No. 28 to the west side of Rochdale Road. The boundary continues northwards around the Irwell Mill, and in a westerly direction along Lee Street to Gas Street where the boundary goes south for approximately 16 metres to include Lee Chambers before continuing westwards crossing the A681 (Market Street) and south-westwards (for approximately 65 metres) along the line of a public footpath situated above Plantation Street.

The western boundary proceeds in a north-westerly direction to include the curtilage of Forest House. At Bankside Lane the boundary is drawn along its west side as far as Maden Road then proceeds along the north side of Maden Road to include the curtilage of Bankside Hall and cottage and the rear gardens of Bank Terrace. The boundary then proceeds along Acorn Street northwards to Fern Street where it travels eastwards along the north sides of Fern Street and Goose Hill Street and along the east side of 8 Rose Bank Street. The boundary then runs northwards along the west side of the A671 (Burnley Road) to Crooked Shore to include the curtilage of the Central Methodist Church and Sunday School.

The northern boundary is drawn from Crooked Shore to Lanehead Lane along a public footpath situated to the west of Waterside Terrace, and continues along the north side of Earnshaw Road to the A681 Todmorden Road.

The eastern boundary proceeds via south-westerly direction along the south side of Todmorden Road, goes south for approximately 16 metres to meet Tong Lane and proceeds along the north and west sides of Howard and Hargreaves Mill to Pickup Street. From the east side of Pickup Street the boundary proceeds west along the south side of South Street and is then drawn along the east side of 3 South Street and around the curtilage of 4-16 Alma Street. The boundary continues southwards down the west of 1 and 1A Alma Street and to the west of 3 to 19 Thorn Street and proceeds westwards along the south side of Bacup Baths to Bath Street."

In areas designated as Conservation Areas special attention is paid to the desirability of preserving or enhancing their character or appearance and Local Planning Authorities are empowered to take effective measures to improve the Environment.

The Town and Country Amenities Act of 1974 brings the demolition of most buildings in Conservation Areas under Local Authority control by applying with modifications the listed building control powers under the Town and Country Planning Act 1971. A building in a Conservation Area shall not be demolished without the consent of the Local Planning Authority. An application for consent to demolish can however be made to the District Council either separately or as part of a Planning Application and in the light of the Local Authorities' policy for the area listed building consent to demolish may or may not be given.

The Act also extends the control over trees in Conservation Areas. Any person wishing to cut down, top, lop, uproot, wilfully damage or wilfully destroy any tree in a Conservation Area (subject to certain exemptions) should give the District Council 6 weeks notice of his intention of so doing.

A copy of this notice and the plan of the area are available for inspection during normal office hours at the
