## COVENTRY CITY COUNCIL

*City of Coventry (Five Ways Junction Area) (Prohibition of Driving) Order 1982*

Notice is hereby given that, pursuant to the powers delegated to them by the West Midlands County Council under section 101 of the Local Government Act 1972, Coventry City Council propose to make, under section 1 of the Road Traffic Regulation Act 1967, as amended, the above proposed Order, which seeks to prohibit any vehicle from entering or leaving Harnall Lane West at its junction with (a) Leicester Causeway and (b) Howard Street and thus to prevent any vehicle from entering (i) Springfield Road from Leicester Causeway, and (ii) Leicester Causeway from Springfield Road.

This Order constitutes one of the measures forming part of the Five Ways Junction Improvement Scheme within the Eagle Street Action Area; the traffic circulation pattern contained in the approved Eagle Street Action Area Plan is aimed at eliminating through traffic from this area by segregating industrial and residential traffic at the Five Ways junction. This involves the connection of the western section of Harnall Lane West to Springfield Road to form an industrial loop road from the Foleshill Road; and the connection of Howard Street to Leicester Causeway to form a residential loop road connected at both ends to Stoney Stanton Road. The two loops will be connected by a link road, which will be limited to buses and emergency service vehicles only. This scheme involves the proposed revocation of the existing one-way Orders in Howard Street and sections of Harnall Lane West, which has already been advertised. The Action Area Plan also proposes the pedestrianisation of certain sections of Harnall Lane West in association with proposed housing development. The bus route through the area will be modified so that out-bound buses will proceed via Howard Street, Harnall Lane West and Foleshill Road, and in-bound buses via Eagle Street, Springfield Road and Howard Street. This changed route and amendment to the junction will necessitate alterations, and additions, to waiting restrictions in the area, which will be advertised in due course.

A copy of the draft Order and relevant plan giving full details may be inspected and any further information obtained at the Council House (Room 12) during normal office hours.

Any objection to the proposals contained in the first paragraph of this notice must be sent in writing to me, quoting Ref. C/RKB, by 23rd February 1982.

*A. H. Pitts, City Secretary*

Council House, Coventry.

(NOTE. Copies of the above-mentioned draft Order and relevant plan will also be available for inspection at the Coventry Information Centre, 36 Broadgate, and the Central Reference Library, Bayley Lane, Coventry.)

1st February 1982.
