## EALING LONDON BOROUGH COUNCIL

### LONDON BOROUGH OF EALING

#### TOWN AND COUNTRY PLANNING ACT 1971, SECTION 277

##### *Designation of Conservation Areas*

Notice is hereby given that the Council, acting pursuant to section 277 of the Town and Country Planning Act 1971 have designated the areas described below as Conservation Areas, the designations being effective from 1st September 1982. Maps defining the areas may be seen between 8.30 a.m. and 4.30 p.m. (Mondays to Thursdays) and 8.30 a.m. and 4.15 p.m. (Fridays), except bank holidays, in the Town Planning Division, 22-24 Uxbridge Road, Ealing, W.5. From 1st September 1982, the name "Ealing Green Conservation Area" will be applied to an area comprising the established Ealing Green Conservation Area and the three areas which, as shown below, are adjacent thereto. The other areas described will be known by the names shown below.

The designation of an area as a Conservation Area has broadly the effect of following:

A. Any Listed Buildings within the area are subject to the restrictions on alteration and demolition ordinarily applicable to Listed Buildings. Other buildings or parts of buildings, with certain exceptions, may not be demolished without consent or in contravention of any condition attached to a consent. Contraventions are punishable on conviction by imprisonment or a fine or both. (It is a defence to prove that the works were urgently necessary in the interest of safety or health or for the preservation of the building and that notice in writing of the need for the works was given to the Council as soon as reasonably practicable.) Further, in case of contravention, the Council have powers for securing reinstatement.

B. Any trees, within the area, to which a tree preservation order applies are subject to the restrictions imposed by and under the Order. It is an offence to cut down, top, lop, uproot, wilfully damage or wilfully destroy a tree to which a tree preservation order does not apply; unless it can be shown:

(1) that the Council were given previous written notice of the proposed action with sufficient particulars to identify the tree; and

(2) either that the act in question was done between 6 weeks and 2 years after the date of the notice or that the Council gave written consent. These provisions do not apply to cutting down, uprooting, topping or lopping trees which are dead or dying or which have become dangerous or to so much of such work as is necessary to prevent or abate a nuisance; but in such cases the Council will expect to be told in writing, or by a message to the Town Planning Division confirmed in writing, as soon as the need for action arises. Contraventions are punishable by a fine, and the owner may be required to plant a replacement tree.
