

- (1) a special road about 9.145 kilometres (5.72 miles) in length from Southgate Road A111, at Potters Bar to the A10 London-Cambridge-Kings Lynn Trunk Road Roundabout at Bullsmoor;
- (2) two special roads as slip roads, for entry to and exit from the above-mentioned special road at Southgate Road A111 at Potters Bar; and
- (3) two special roads as slip roads, for entry to and exit from the above-mentioned special road at Great Cambridge Road A10 at Bullsmoor.

In accordance with the requirements of the Highways Act 1980 a formal notice to this effect dated 14th July 1982 was published in the Enfield Independent on 21st July 1982, in the Enfield Advertiser on 22nd July 1982 and in the *London Gazette*, *Enfield Gazette*, *Cheshunt and Waltham Weekly Telegraph*, *Lea Valley Mercury* and *Harlow Gazette* on 23rd July 1982.

Where a highway open for general purposes is then appropriated for the restricted purposes of a motorway,

there is a legal requirement for the Secretary of State to be satisfied as to the alternative route available for non-motorway traffic, which he then specifies in the notice of making of the Appropriation Order.

Through error, two routes, namely Burnt Farm Ride and Bulls Cross Ride, which are not public highways, were named in the notice dated 14th July 1982. It should accordingly be noted that the alternative route for non-motorway traffic between Potters Bar and Bullsmoor is via the following:

The Ridgeway (A1005), East Lodge Lane, Cattlegate Road, Theabalds Park Road, Whitewebbs Road, Whitewebbs Lane, Bulls Cross, Bullsmoor Lane and Great Cambridge Road (A10).

F. M. Hall, a Senior Executive Officer, Greater London Roads and Traffic Division, Department of Transport. (Ref. T5074).

30th September 1982.
