TREASURY

RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

NOTICE

TREASURY MINUTE dated 10th November 1982.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 c. 13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 10th November 1982 and until the coming into operation of a further determination;

- I. The rate of interest applicable to any such fixed rate loan will be that in force on the banking day preceding the date the principal is credited to the account of the authority's banker;
- II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the

principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);

III. The rates of such interest shall be:

PWLB Quota Rates	Per cent. per annum Loans repayable		At maturity
	By instalments E.I.P.	E.R.	
Over 1 but not over 5 years	9½	9½	9½
Over 5 but not over 6 years	9½	9½	9½
Over 6 but not over 7 years	9½	9½	10

Over 10 but not over 15 years	10½	10½	10½
Over 15 but not over 25 years	10½	10½	10½
Over 25 years	10½	10½	10½
PWLB Non-Quota "A" Rates			
Over 1 but not over 5 years	10½	10½	10½
Over 5 but not over 10 years	10½	10½	11½
Over 10 but not over 15 years	10½	11½	11
Over 15 but not over 25 years	11½	11	11
Over 25 years	11	11	11
PWLB Non-Quota "B" Rates			
Over 1 but not over 5 years	11½	11½	11½
Over 5 but not over 10 years	11½	11½	12½
Over 10 but not over 15 years	11½	12½	12
Over 15 but not over 25 years	12½	12	12
Over 25 years	12	12	12

The amount which a local authority borrows within its annual quota will bear interest at the appropriate rate in the quota set of rates. Where authorities borrow further sums these will attract interest at the appropriate rate in the non-quota set of rates unless the Public Works Loan Commissioners agree that they should be offset against the following year's quota.

My Lords concur.

The Treasury determine the rates of interest accordingly.

DEPARTMENT OF TRANSPORT

LAND COMPENSATION ACT 1973, AS AMENDED

The Secretary of State for Transport hereby gives notice that the length of highway detailed in the Schedule below was first open to public traffic on 1st April 1981, after completion of carriageway alterations.

Under Part I of the Land Compensation Act 1973, as amended, there is a right to compensation in respect of any depreciation of more than £50 in the value of certain

interests in land caused by the use of new or altered highways and resulting from specified physical factors (noise, vibration, smell, fumes, smoke and artificial lighting and the discharge on to the land in respect of which the claim is made of any solid or liquid substance). Compensation is assessed by reference to prices current at a date 12 months after the highway is first open to public traffic or, in the case of an altered highway, first open to public traffic after completion of the alterations.

Interests qualifying for compensation are specified in section 2 of the above-mentioned Act and there are special provisions relating to claims by mortgagees and persons entitled under trusts or settlements.

Any person entitled to a qualifying interest who considers he has a claim under the said provisions may obtain further information and claim forms from the Director (Transport), South Eastern Regional Office, Departments of the Environment and Transport, 74 Epsom Road, Guildford, Surrey GU1 2BL.

Claims may be made 12 months after the date when the new or altered highway was first opened to public traffic, that is on or after 1st April 1982 (the "first claim day"). Note that the amendment of the Act means that the claim period specified in the notice given at road opening no longer applies but claims should be made within 6 years from this date. However if an interest is disposed of or (insofar as the interest is in land which is not a dwelling) a tenancy is granted the claim must be made before such disposal or grant of tenancy.

Compensation is assessed by reference to prices current at a date 12 months after the highway is first open to public traffic or, in the case of an altered highway, first open to public traffic after completion of the alterations.

Interests qualifying for compensation are specified in section 2 of the above-mentioned Act and there are special provisions relating to claims by mortgagees and persons entitled under trusts or settlements.

Any person entitled to a qualifying interest who considers he has a claim under the said provisions may obtain further information and claim forms from the Director (Transport) South Eastern Regional Office, Departments of the Environment and Transport, 74 Epsom Road, Guildford, Surrey GU1 2BL.

Claims may be made 12 months after the date when the new or altered highway was first open to public traffic, that is on or after 28th November 1982 (the "first claim day"). Claims should be made within 6 years from this date. However, if an interest is disposed of or (insofar as the interest is in land which is not a dwelling) a tenancy is granted, the claim must be made before such disposal or grant of tenancy.
