RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

NOTICE

TREASURY MINUTE dated 12th January 1983.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 c. 13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 12th January 1983 and until the coming into operation of a further determination:

- I. The rate of interest applicable to any such fixed rate loan will be that in force on the banking day preceding the date the principal is credited to the account of the authority's banker;
- II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- III. The rates of such interest shall be:

NOISE INSULATION REGULATIONS 1973

Notice is hereby given that the New Road, Chatham dual-lining scheme between James Street and Church Street, a distance of 237 metres, was opened to traffic on 1st September 1972. Offers of insulation (double windows, and perhaps doors, special ventilation and in some cases venetian blinds)

or grant have been made to the occupiers (and/or landlords) of all dwellings which are believed to qualify under the Noise Insulation Regulations 1973. A map and list showing these dwellings may be seen at The Public Library, Riverside, Chatham.

The Regulations gave a right of appeal to the occupier or person entitled to occupy any dwelling or other residential property (such as an old peoples home or hostel for long-stay residents), and to his immediate landlord or licensor (if any), where the dwelling or property is within 300 metres of the scheme and no offer of insulation or grant has been made in respect of it. Any such person who claims that use of the improved length of road causes

or is expected to cause at the property in question noise of not less than the level specified in the Regulations may apply in writing to the Director (Transport), "Edgeborough", 74 Epsom Road, Guildford, Surrey GU1 2BL, setting out the facts on which he relies and requesting that an offer of insulation or grant be made in accordance with the provisions of the Regulations. The right of appeal must be exercised not later than 14th July 1983. An informative booklet "Insulation Against Traffic Noise" is available free of charge from the same address.
