RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

NOTICE

TREASURY MINUTE dated 25th May 1983.

The Lords Commissioners of Her Majesty's Treasury read section 3 (2) of the National Loans Act 1968 (1968 c. 13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 25th May 1983 and until the coming into operation of a further determination;

- I. The rate of interest applicable to any such fixed rate loan will be that in force on the banking day preceding the date the principal is credited to the account of the authority's banker;

- II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);

- III. The rates of such interest shall be:

The amount which a local authority borrows within its annual quota will bear interest at the appropriate rate in the quota set of rates. Where authorities borrow further sums these will attract interest at the appropriate rate in the non-quota set of rates unless the Public Works Loan Commissioners agree that they should be offset against the following year's quota.

My Lords concur.

The Treasury determine the rates of interest accordingly.
