COAST PROTECTION ACT 1949

CHICHESTER DISTRICT COUNCIL

COAST PROTECTION ACT 1949

Notice is hereby given that the District Council of Chichester, acting in their capacity as Coast Protection Authority, hereby give notice under subsection (1) of section 5 of the above Act that they propose to reconstruct Groynes W1, 3, 5, 6, 7, 9, 11, 12 and 18 at West Beach, Selsey. Groynes 6 and 7 are to be completely reconstructed whilst the remaining groynes will be partially reconstructed. If work to these groynes is not carried out, the underlying clay strata will be increasingly exposed and eroded thereby reducing the chances of beach material recovering to former levels. In addition, the remaining groynes at West Beach will be susceptible to damage under storm conditions due to their relatively high profile.

It is also proposed to construct a concrete plant access ramp at the end of Warner Road. This will serve to extend the working period between tides and economical reconstruction of the groynes. It will also enable maintenance of the sea defence works in the vicinity to be eased considerably in the future.

The estimated cost of reconstruction works to the groynes is £90,000 and £50,000 for the ramp.

A copy of a plan showing the location of the works may be inspected at the offices of the Director of Administration, District Council of Chichester, Greyfriars, North Street, Chichester, during normal office hours, Monday to Friday until Monday, 15th August 1983.

Any person may, not later than Monday, 15th August 1983 serve a written notice of objection to the above proposal on the Secretary of State for the Environment and on the above mentioned Authority. Any such notice must contain a statement of the grounds of objection and must be sent by pre-paid post to The Secretary, Department of the Environment, Romney House, 43 Marsham Street, London SW1 3PY, and to the Director of Administration of the Authority at the address shown below.
