The Trunk Road (A4) (Saltford, Avon) (Bus Stop Clearway and Box Junction) Order 1983

Notice is hereby given that the Secretary of State for Transport proposes to make an Order under section 1 (1), (2), (3), (3B) and (6) of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968 and Schedule 6 to the Road Traffic Act 1974 on that length of the London–Bristol Trunk Road (A4) known as Bath Road at Saltford in the District of Wansdyke in the county of Avon.

The effect of the Order will be to provide for the prohibition of waiting between 0700 and 1900 hours:

(i) in the bus layby on the south side of Bath Road which extends from a point 30 metres east of its junction with Norman Road eastwards for 31 metres, and

(ii) in the bus stop area on the north side of Bath Road which extends from a point 64 metres east of its junction with Norman Road eastwards for a distance of 31 metres.

Exceptions to the above provisions will enable vehicles to be used:

(*a*) for the removal of any obstruction to traffic;

(*b*) in connection with the purposes of a local authority or water authority;

(*c*) for police, fire brigade or ambulance purposes; or

(*d*) for the collection or delivery of postal packets;

and for a vehicle to stop where this is required by law or in order to avoid an accident or where it is prevented from proceeding by circumstances beyond the driver's control.

The proposed Order will also allow for the provision of box junction markings at the junction of Bath Road with:

(i) Norman Road, and
(ii) Beech Road

so that those junctions will not be blocked by stationary traffic.

Exceptions to the box junction provisions will apply:

(*a*) to vehicles used for police, fire brigade or ambulance purposes;

(*b*) to drivers acting on the direction or with the permission of a police constable in uniform or a traffic warden;

(*c*) where a vehicle is waiting in order to carry out a right turn;

(*d*) where a driver had reasonable cause to believe he would be able to drive out of a boxed area.

The bus stop clearways are intended to allow buses to wait at the kerbside whilst passengers alight or board instead of being forced to wait well clear of the pavement by parked vehicles. The box markings are intended to assist traffic movements into and out of Norman Road, Beech Road and Manor Road whilst maintaining the free flow of traffic on the trunk road.

A copy of the proposed draft Order together with a plan illustrating the proposal and a statement explaining more fully the Secretary of State's reasons for proposing to make the Order may be inspected during normal office hours at:

The office of Avon County Council, Department of Legal and Administrative Services, 6th Floor, Avon House, The Haymarket, Bristol BS99 7DE, or

(2) *Rugby School Conservation Area Extension*

Notice is hereby given that Rugby Borough Council on 21st June 1983 designated two areas as Conservation Areas. They are the Rugby Town Centre Conservation Area and the Rugby School Conservation Area Extension. A description of each area appears in the Schedule to this notice.

(3) The Council are under a duty to make and publish proposals for the preservation and enhancement of the areas; and

(4) The Council must give proper publicity to any planning applications for development which would, in the Council's opinion, affect the character or appearance of the areas. When deciding the application, the Council must take into account any representations received as a result of the publicity given.

A plan showing the extent of the two areas is available for inspection at the Town Hall, Evreux Way, Rugby, between 9 a.m. and 5 p.m., Mondays to Fridays. Anyone wanting further information should contact the Technical Services Department.
