TREASURY

RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

NOTICE

TREASURY MINUTE dated 8th February 1984.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 c. 13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 8th February 1984 and until the coming into operation of a further determination:

- I. The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 am two banking days before credit day;
- II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal

with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);

III. The rates of such interest shall be:

Over 25 years	12½	12	11½

The amount which a local authority borrows within its annual quota will bear interest at the appropriate rate in the quota set of rates. Where authorities borrow further sums these will attract interest at the appropriate rate in the non-quota set of rates unless the Public Works Loan Commissioners agree that they should be offset against the following year's quota.

My Lords concur.

The Treasury determine the rates of interest accordingly.

LOCAL GOVERNMENT, PLANNING AND LAND ACT 1980

Notice of Designation of Conservation Area for Uphill (North)

Notice is hereby given that Woodspring District Council, by resolution dated 17th January 1984, pursuant to section 277 of the Town and Country Planning Act 1971, inserted by section 1 of the Town and Country Amenities Act 1974 and as amended by the Local Government, Planning and Land Act 1980, have designated the area specified in the Schedule hereto within the District, in the County of Avon, as a Conservation Area, being an area of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance.

The effect of the designation will be that special attention will be paid in the exercise of any powers under planning and allied legislation to the desirability of preserving or enhancing the character or appearance of any buildings or other land within the area and to give the District Planning Authority powers of control in relation to certain development, the demolition of buildings with certain specified exemptions, and the display of advertisements in the Conservation Area. In addition the control over the treatment of trees extended by Section 8 of the Act of 1974 will apply in the Conservation Area. The effect of this provision in general terms is that any person wishing to cut

down, top, lop, uproot or otherwise damage or destroy any trees not already covered by a Tree Preservation Order must give the District Planning Authority 6 weeks notice of his intention. Particulars of such notice are to be recorded by the Council in a register open to public inspection. The purpose of this provision is to give the District Planning Authority an opportunity to make a Tree Preservation Order where appropriate before the work proposed is carried out. It constitutes an offence to begin work without giving the required notice (or without the District Planning Authority's specific consent within the 6 weeks' period).

A plan showing the boundary of the Conservation Area is available for public inspection during normal office hours at the Town Hall, Weston-super-Mare.
