NOTICE OF CONFIRMATION OF PUBLIC PATH ORDER HIGHWAYS ACT 1980

The County Council of Isle of Wight, Public Footpaths BS1, BS3 and SW25 Atherfield Bay Public Paths Diversion Order 1983

Notice is hereby given that on 23rd February 1984 the County Council of Isle of Wight confirmed the above-named Order.

The effect of the Order, as confirmed, is
A. To divert the first part of Public Footpath BA1 commencing at a point outside of and parallel to the south-west corner of the Atherfield Bay Holiday Camp where Public Footpaths BS3 and BS2 converge. It then runs eastwards along the southern boundary of the holiday camp to a point at the south-western corner of Stocks Cross and the

second part of Public Footpath BS1 to be diverted commences at a point approximately 110 metres west of Stocks Cross Cottage on the southern boundary of the holiday camp and curving generally south-westwards then south-eastwards to the bottom of Shepherds Chine across a stream and up the south-eastern side of the southern rim of the Chine to a new line commencing at the first part at a point outside and parallel to the south-west corner of the Atherfield Bay Holiday Camp where Public Footpaths BS3 and BS2 converge. It will then run south-westwards for 30 metres and then south-eastwards for 20 metres over an old disused vehicle track. As the track turns south-westwards again towards the cliff edge the path leaves it and continues in a south-easterly direction down the slope of the chine for 40 metres over a series of steps along the south-east side and parallel to the old boundary fence to the chine stream at the bottom. The path then delivers on to a gabion walkway constructed along the north-western side of the stream bed over which it runs in a south-westerly direction for a further 40 metres to the beach. The other line will commence at a point 15 metres north-west of the stream bed on the line of that part of Public Footpath BS1 described above. The path will run in a north-easterly direction through the chine along the slope of its north-western bank for a distance of 170 metres to a point by the pumphouse north of the dam across the stream running through Shepherds Chine.

- B. To divert that part of Public Footpath BS3 commencing about midway along the south-eastern edge of Cowlaze Chine to a point where the Atherfield Bay Holiday Camp sewage plant is situated. From that point the path descends down the bank into the chine and crosses over the stream at the bottom and then ascends the western bank to the top of the chine to a new line commencing from approximately midway along the south-eastern edge of Cowlaze Chine at a point where Atherfield Bay Holiday Camp sewage plant is located and then running in a north-westerly direction along the south-eastern edge of the chine 50 metres passing over a stile and a small footbridge and continuing for a total of 160 metres to the head of the chine and the point where an established track passes and turns south-westwards to run along the north-western side of the chine. Approximately 15 metres after rounding the head of the chine the established track passes through a field gate and the path then follows the track for a further 125 metres to the point on the north-western bank of the chine where the original route reached the chine top.
- C. To divert that part of Public Footpath SW25 commencing at a point approximately 320 metres south-east of the main gate entrance to Atherfield Bay Holiday Camp on the south-west side of the A3055 Military Road. It then runs in a south-westerly direction from this point and continues inside close to and parallel with the north-west boundary fence of the chine area for approximately 140 metres. It then turns at right-angles south-eastwards to run for approximately 90 metres down the northern slope of the chine side across the stream at the bottom and up the south-western slope of the south-eastern rim of the chine where it again resumes its south-easterly direction for a further 45 metres to a point where a track from the chine bottom emerges on to the rim. The new line will commence at the same point on the Military Road and will run about 5 metres south-east of but parallel with the original line over a vague vehicle track for about 130 metres. It then diverges from running parallel with the

original line and continuing in a south-westerly direction following the vehicle track diagonally down the north-western chine slope for a further 80 metres to the point where an irrigation dam crosses the chine stream and the path takes a right angled turn south-eastwards to run over a track across the top of the dam and directly up the southern slope of the chine for a further 55 metres to emerge on the southern rim of the chine where it will take another right angled turn south-westwards to resume its original line.

A copy of the Order and the map contained in it has been deposited and may be inspected free of charge at the Reception Desk, County Hall, Newport, Isle of Wight between 9.30 a.m. and 4 p.m. on weekdays. Copies of the Order and map may be purchased.

Any person who wishes to claim compensation under section 28 of the 1980 Act for depreciation or damage in consequence of the coming into operation of the Order must make his/her claim in writing addressed to the County Secretary and Solicitor, Isle of Wight County Council, County Hall, Newport, Isle of Wight PO30 1UD, and serve it by delivering it at, or sending it by pre-paid post to, the above address.

The Order becomes operative as from 19th March 1984 but if a person aggrieved by the Order desires to question the validity thereof, or of any provision contained therein, on the ground that it is not within the powers of the Highways Act 1980, or on the ground that any requirement of the Act or any regulation made thereunder has not been complied with in relation to the Order he may, under paragraph 2 of Schedule 2 to the Act as applied by paragraph 5 of Schedule 6 to the Act within 6 weeks from 24th February 1984 make an application for the purpose to the High Court.
