TREASURY

RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

NOTICE

TREASURY MINUTE dated 4th April 1984.

The Lords Commissioners of Her Majesty's Treasury read section 3 (2) of the National Loans Act 1968 (1968 c. 13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 4th April 1984 and until the coming into operation of a further determination;

- I. The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;

II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);

III. The rates of such interest shall be:

DEPARTMENT OF HEALTH AND SOCIAL SECURITY

SOCIAL SECURITY ADVISORY COMMITTEE

Notice of submission of Draft Regulation entitled the Child Benefit (Residence and Persons Abroad) Amendment Regulations 1984.

The Social Security Advisory Committee gives notice that it has been asked by the Secretary of State for Social Services under section 10 of the Social Security Act 1980 to consider and report on the draft regulations entitled The Child Benefit (Residence and Persons Abroad) Amendment Regulations 1984.

A short explanatory note provided by the Department of Health and Social Security on these regulations is appended to this notice. The Committee will take into account any comments or objections made by or on behalf of people or organizations who would be affected by the regulations received by them not later than 2nd May 1984. Comments or objections should be sent to Miss G. Moore, the Secretary, Social Security Advisory Committee, Room 458, New Court, Carey Street, London WC2A 2LS. Copies of the draft of these regulations can be obtained on request to Mr. M. P. O'Leary, the Assistant Secretary of the Committee (01-831 6111 extension 2636, address as for the Secretary).

M. P. O'Leary, p.p. J. Moore SSAC

EXPLANATORY NOTE

Child benefit is normally payable only when the child and the person claiming benefit reside in Great Britain. A concession allows payment for the first 6 months of any temporary absence. It is proposed to reduce this period to 8 weeks. The current regulations allow title to continue beyond 6 months where the absence is for medical treatment or full-time education or where the parents are working abroad but liable to pay UK income tax on at least half of their earnings. The change will not affect these exceptions. Anyone going abroad before 2nd July 1984 will continue to receive benefit for up to 6 months.

3rd April 1984. (11 SI)

SOCIAL SECURITY ADVISORY COMMITTEE

Notice of submission of proposals to amend the Supplementary Benefit and the Child Benefit Regulations

The Social Security Advisory Committee gives notice that it has been asked by the Secretary of State for Social Services under section 10 of the Social Security Act 1980 to consider and report on proposals to amend the Supplementary Benefit and The Child Benefit Regulations.

A short explanatory note provided by the Department of Health and Social Security on these regulations is appended to this notice. The Committee will take into account any comments or objections made by or on behalf of people or organizations who would be affected by the regulations received by them not later than 2nd May 1984. Comments or objections should be sent to Miss G. Moore, the Secretary, Social Security Advisory Committee, Room 458, New Court, Carey Street, London WC2A 2LS. Copies of the draft of these regulations can be obtained on request to Mr. M. P. O'Leary, the Assistant Secretary of the Committee (01-831 6111 extension 2636 address as for the Secretary).

M. P. O'Leary, p.p. J. Moore SSAC

EXPLANATORY NOTE

Supplementary Benefit Amendment Regulations 1984

A number of changes to the supplementary benefit regulations are proposed. These include:

- (i) improvements in the single payment regulations including provision for payment to be made to meet a need incurred up to 7 days before the date of claim where the need had to be met immediately and an earlier claim was impracticable; and for payment in respect of work expenses to be made on starting part-time work;
- (ii) the backdating, in certain circumstances, of a supplementary benefit claim to the date when housing benefit was claimed;
- (iii) an extension of the help provided for visits to relatives, to include visits to residential homes and hostels;
- (iv) an extra £4 disregard on Territorial and Reserve Forces' earnings;
- (v) an extension of entitlement to urgent needs payments to cover all cases where immigration status is being considered by the Home Office;
- (vi) full-time earnings of dependent children are to be taken into account up to level of their supplementary benefit requirements.

Full-Time Education: Child Benefit and Supplementary Benefit

A consequence of a recent Commissioners' decision is to increase the hours of study allowable during the qualifying period for the supplementary benefit 21 hours rule. This undermines the distinction between committed students and the genuinely unemployed. The proposed amendment regulations will re-define as full-time non-advanced education, for both child benefit and supplementary benefit purposes, any course which exceeds 12 hours of timetabled and supervised study.

Draft Regulations to give effect to the proposals are expected to be referred to the Committee shortly but views are being sought now to give interested organisations more time to comment.
