NOTICE OF OPENING

LAND COMPENSATION ACT 1973 (AS AMENDED)

The Secretary of State for Transport hereby gives notice that the length of Highway detailed in the Schedule below was first open to public traffic on 20th October 1982 after completion of carriageway alterations.

Under Part 1 of the Land Compensation Act 1973 (as amended) there is a right to compensation in respect of any depreciation of more than £50 in the value of certain interests in land caused by the use of new or altered highways and resulting from specified physical factors (noise, vibration, smell, fumes, smoke and artificial lighting and the discharge on to the land in respect of which the claim is made of any solid or liquid substance). Compensation is assessed by reference to prices current at a date 12 months after the highway is first open to public traffic or, in the case of an altered highway, first open to public traffic after completion of the alterations.

Interests qualifying for compensation are specified in section 2 of the above-mentioned Act and there are special provisions relating to claims by mortgagees and persons entitled under trusts or settlements.

Any person entitled to a qualifying interest who considers he has a claim under the said provisions may obtain further information and claim forms from the Department of Transport, Greater London Roads and Traffic Division, Room C5/06, 2 Marsham Street, London SW1P 3EB.

Claims may be made twelve months after the date when the new or altered highway was first opened to public traffic, that is on or after 21st October 1983 (the "first claim day"). Claims should be made within 6 years from this date. However, if an interest is disposed of, or (insofar as the interest is in Land which is not a dwelling) a tenancy is granted, the claim must be made before such disposal or grant of tenancy.
