OFFICE OF FAIR TRADING

COMPETITION ACT 1980

COMPETITION REFERENCE UNDER SECTION 5

Ford Motor Company Limited

The Director General of Fair Trading has published a report under section 3 of the Competition Act 1980 ("the Act") stating that a course of conduct pursued by Ford Motor Company Limited ("Ford") constitutes an anti-competitive practice and that it is appropriate for him to make a reference under section 5 of the Act. The Director General has not accepted from Ford any undertaking which covers the course of conduct described in the report as constituting an anti-competitive practice. Therefore, in exercise of his powers under section 5 of the Act, he hereby makes a reference to the Monopolies and Mergers Commission ("the Commission") as follows:

(*a*) The person whose activities are to be investigated by the Commission is Ford;

(*b*) The goods to which the investigation is to extend are replacement body parts;

(*c*) The course of conduct to be investigated is the pursuit by Ford of a policy and practice of not granting to any person (other than to persons supplying

body parts to Ford) a licence to manufacture or sell in the United Kingdom any replacement body part where Ford claims to be entitled to prohibit such manufacture or sale by virtue of the copyright subsisting in the drawings or designs of body parts.

For the purposes of this reference:

"body part" means any body panel fitted to a motor vehicle as standard equipment when sold new and "replacement body part" means any body panel sold as a complete or partial replacement for a body part; "copyright" shall include copyright arising from the registration of a design under the Registered Designs Act 1949.

A report on this reference is to be made within the period of 6 months beginning 11th May 1984.

The Commission will investigate and report on (i) whether Ford has been pursuing the course of conduct specified at (*c*) above or any other course of conduct similar in form and effect at any time during the 12 months ending on 11th May 1984; and (ii) whether Ford has thereby been engaging in an anti-competitive practice; and (iii) if so, whether the practice operates or might be expected to operate against the public interest. If so, the Commission will consider what action, if any, should be taken to remedy or prevent the effects adverse to the public interest.

If you have any information which would help the Commission in their enquiries, please write as soon as possible to: The Secretary, Monopolies and Mergers Commission, New Court, 48 Carey Street, London WC2A 2JT. (1 SI)

Conservation Area at Norham

Notice is hereby given in pursuance of section 277 of the Town and Country Planning Act 1971 as substituted by section 1 of the Town and Country Amenities Act 1974

that the Berwick-upon-Tweed Borough Council on 26th April 1984, determined that the area described in the Schedule to this notice is an area of special architectural or historic interest the character or appearance of which it is desirable to preserve or enhance and have accordingly designated the said area as a conservation area.

The effect of the designation of the conservation area may be summarised as follows:

(*a*) Where any application for planning permission for development of land in or adjacent to the conservation area is made to the Council and the development would, in the opinion of the Council, affect the character or appearance of the conservation area, the application will be subject to the special procedure in section 28 of the Town and Country Planning Act 1971 as amended.

(*b*) Anyone wishing to demolish a building or a part of a building situate within the conservation area must first apply for consent to demolition to the local planning authority. This is not taken to be included in a planning permission for redevelopment of the site unless, in granting the planning permission, the authority states that it includes consent to demolish the building. Some buildings may be exempt from this requirement.

(*c*) Anyone wishing to cut down, top, lop or uproot a tree situate within the conservation area must give 6 weeks prior notice of his intention to the local planning authority.

A map of the conservation area may be inspected free of charge during normal office hours at the office of the Borough Planning Officer at the address below.
