NOTICE

TREASURY MINUTE dated 6th June 1984.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 c. 13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 6th June 1984 and until the coming into operation of a further determination:

II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);

III. The rates of such interest shall be:

(*f*) further guidance on the material with which applicants may support their applications is given in the Guidance Notes available from the Department of Energy.

8. Applicants will be judged against the background of the continuing need for expeditious, thorough and efficient exploration to identify oil and gas resources of the U.K. Continental Shelf and the following factors in particular will be borne in mind when examining applications:

(*a*) technical competence to undertake a programme of exploration and production;

(*b*) capability to produce funds commensurate with work programme obligations in respect of initial exploration and the extent of access to adequate funds in the event of a commercial discovery being made;

(*c*) where the applicant already holds or has held a licence, his overall performance to date in meeting licence obligations. In cases where the applicant holds a petroleum production licence, especial consideration will be given to the applicant's performance in thoroughly exploring and where appropriate appraising his licensed area, and to his intentions on further exploration and appraisal of that area;

(*d*) exploration already done by or on behalf of the applicant which is relevant to the areas applied for;

(*e*) in the case of an application for a block or blocks listed under Mature Areas in Schedule I, the extent to which the applicant is prepared also to apply for and explore a block or blocks listed under Frontier Areas in that Schedule, particularly in water depths exceeding 200 metres;

(*h*) where a body incorporated in a country outside the U.K. applies for a licence or holds a controlling interest in the applicant, how far equitable treatment is afforded in such other country;

(*i*) whether the applicant subscribes to the Memorandum of Understanding to ensure that full and fair opportunity is provided to U.K. industry to compete for orders of goods and services. Where the applicant is, or has been, a licensee, his past performance in providing full and fair opportunity to U.K. industry will be taken fully into account;

(*j*) whether the applicant subscribes to the Memorandum of Understanding to grant reasonable access to representatives of independent trade unions to his offshore installations; and

(*k*) the applicant's record in respect of training for employment on offshore installations.

9. Following examination of all the applications the Secretary of State will select the applicants to whom he is prepared to award licences. If there are two or more applicants for a block who would be equally acceptable to the Secretary of State as licensees for that block he may suggest that the licence should be held jointly by some or all of such applicants.

10. The selected applicants will be offered licences on condition that within 14 working days of the date on which the Secretary of State makes the offer of an award;

(*a*) they confirm acceptance of a work programme proposed by the Secretary of State following discussion with the applicants concerned;

(*b*) they remit to the Secretary of State the appropriate payment referred to in paragraph 3(*a*) above; and

Applicants should note that the Secretary of State will entertain applications only for blocks specifically identified in the application and drawn from those listed in Schedule II;

(*d*) tenders transferable between blocks will not be accepted;

(*e*) the envelope enclosing the tender should also contain:

(i) a deposit in sterling equivalent to ten per cent of the additional initial payment tendered in the form of a cheque or a bank draft made payable to the Department of Energy and drawn on a bank which is a member of the Committee of London Clearing Bankers or the Committee of Scottish Clearing Bankers or the Northern Ireland Bankers' Association and each such cheque or draft will be paid into the bank account of the Department; and

(ii) a separate payment in the form of a cheque made payable to the Department of Energy in respect of the appropriate application fee calculated in accordance with Section 11(2) of the Regulations;

(*f*) no specific work programme need be stated in the application but information on the technical competence and financial capability of applicants will be required;

(*g*) further guidance on the material with which applicants may support their application is given in the Guidance Notes available from the Department of Energy.

13. The Secretary of State reserves the right to reject the highest or any other tender, on all or any of the following grounds;

(*c*) where the tenderer has not observed all or any of the provisions of paragraph 12;

(*d*) for any other reason, which will be disclosed to the tenderer on request.

14. Subject to the Secretary of State's right in accordance with the provisions described in paragraph 13 above to accept or reject any tender, licences will be awarded to the highest tenderer. Each successful tenderer will be informed of the acceptance of his tender by the Secretary of State by letter sent by recorded delivery post to the tenderer at the address given in the tender form. Within 14 working days of the date upon which the Secretary of State's letter of acceptance is posted the tenderer shall:

(*a*) pay the balance of the additional initial payment tendered together with the appropriate initial payment referred to in paragraph 3 (*a*) above; and

(*b*) confirm in writing his willingness to enter into the Agreement referred to in paragraph 4 above.

In the event that the successful tenderer fails to fulfil either of these conditions by the due date, his deposit will be forfeited to the Secretary of State. Thereafter the Secretary of State may, subject to paragraph 13, award a licence for the block to any other tenderer for that block, and the provisions of this paragraph shall apply in relation to any such tenderer in the same manner as they applied in relation to the defaulting tenderer.

15. In the event of two or more acceptable tenders for a block being of equal amount, the Secretary of State may propose a licence for that block be awarded to such tenderers jointly, each tenderer being required to contribute an equal share of the amount tendered. Such tenderers will be informed of the proposal by the Secretary of State by letter sent by recorded delivery post to the tenderers at the addresses given in the tender forms. If within 14 working days of the date on which the Secretary of State's letter was posted, all the tenderers concerned have not:

(*a*) paid their shares of the balance of the additional payment tendered together with the appropriate initial payment referred to in paragraph 3 (*a*) above; and

(*b*) confirmed in writing their willingness to enter into the Agreement referred to in paragraph 4 above;

then the Secretary of State's proposal shall be deemed to have been withdrawn but the tenderers' deposits shall not be forfeited. Thereafter, the Secretary of State may award a licence for that block to any tenderer for that block and the provisions of paragraph 14 shall apply in relation to any such tenderer.

16. Tenderers who are not offered licences will be notified by post. Deposits for such unsuccessful tenders will be returned without interest as soon as possible after the successful tenderers have accepted their licence awards and in any case not later than 31st March 1985.
