At the present time the Authority are required to discharge 1,283 cubic metres of compensation water per day (282,130 gallons) from their Laneshaw Reservoir into the River Laneshaw on every day except Sunday.

This application is to reduce temporarily this quantity of compensation water to a minimum continuous flow of 100 cubic metres per day (22,000 gallons) plus any additional quantities of water the Authority consider appropriate to release having regard to the needs of abstractors on the River Laneshaw and on Colne Water upstream of its confluence with Pendle water and the resources available.

Any objections to the proposed Order must be made in writing to the Secretary of State for the Environment, Room B545, Romney House, 43 Marsham Street, London SW1P 3EB, within 7 days of publication of this notice and it is requested that a copy of any such objection be sent at the same time to the undersigned.

Should it appear to the Secretary of State that the Order is required to be made urgently if it is to enable the Authority effectively to meet the deficiency of supplies of water in their area, he may direct that the holding of a public local inquiry or a hearing by a person appointed by him should be dispensed with.

A map showing the location(s) of the above-named reservoir(s) may be inspected during normal office hours

for a period of 7 days from the publication of this notice at the Authority's sub-district office at 62-64 Yorkshire Street, Burnley, and at Colne Public Library.

Notice is hereby given that on 15th June 1984 the Warwickshire County Council made an Order under sections 1 and 84D (1) of the Road Traffic Regulation Act 1967, as amended, the effect of which will be to revoke, with effect from 25th June, the 7-ton axle weight restriction on Mill Canal Bridge, Mill Lane, Burton Hastings.

WARWICKSHIRE COUNTY COUNCIL

ROAD TRAFFIC REGULATION ACT 1967 (AS AMENDED)

The Warwickshire County Council (Corporation Street, Rugby) (Experimental Traffic Regulation) Order 1984

Notice is hereby given that Warwickshire County Council propose to make an Order under section 9 of the Road Traffic Regulation Act 1967, as amended, the effect of which will be, for an experimental period not exceeding 18 months, to prohibit traffic from making right turns out of and into Corporation Street, Rugby, to and from the adjoining side-roads.

C

This will be achieved by means of a central reservation, which will be installed in Corporation Street, in three stages.

The first section, from a point 15 metres north of the exit from the multi-storey car park to Evreux Way, will operate from the beginning of April 1985. A gap will be left in this section, opposite the fire station, for use by the emergency services only and a yellow boxed junction marking will be painted on the northbound carriageway between this gap and the fire station in order to prevent vehicles, which are queueing back from Evreux Way roundabout, from obstructing fire appliances emerging from the station. Vehicles must not enter the boxed junction marking when other stationary vehicles are preventing them from leaving it. U-turns around the southern end of this section of central reservation will be prohibited.

The second section, from Warwick Street to the Pelican Crossing just south of Chapel Street, will be installed about mid May 1985. U-turns around the northern end of this section will be prohibited.

The final section, linking the first two sections will be installed about late June 1985. This section will be removed if it is found that the central reservation along the complete length of Corporation Street results in too heavy a traffic flow at Evreux Way roundabout and on the Warwick Street gyratory system.

If this experiment is successful, proposals to make the system permanent will be advertised, and objections invited, during the experimental period.

A copy of the proposed Order, together with a map showing the roads affected and a statement of the Council's reasons for proposing to make the Order may be inspected at the office of the Clerk of the Council, Shire Hall, Warwick and at the Town Hall, Rugby, on Mondays to Fridays inclusive during normal office hours.

Objections to the proposals, which must be in writing and must specify the grounds on which they are made, must be sent so as to be received by the undersigned by 13th July 1984.
