CAMBRIDGESHIRE COUNTY COUNCIL

The County of Cambridgeshire (Pedestrian Streets, Huntingdon) (Experimental) Orders (No. 1) and (No. 2) 198

The County of Cambridgeshire (Street Parking Places, Huntingdon) (Experimental) Order 198

Notice is hereby given that the Cambridgeshire County Council propose to make Orders under sections 9, 28, 31 and 84D (1) of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968, Schedule 19 to the Local Government Act 1972 and Schedule 6 to the Road Traffic Act 1974.

In connection with the intended pedestrianisation of Huntingdon High Street, two alternative draft experimental Orders are being advertised to gauge public opinion on the use of High Street by cyclists.

The difference between the two proposed Orders is that Order No. 1 would permit cycling in the pedestrianised part of High Street while Order No. 2 would prohibit cycling between the junctions with Grammar School Walk and Hartford Road.

Both Orders contain the following proposals:

High Street, between its junctions with Hartford Street and George Street will be totally pedestrianised between 10 a.m. and 4 p.m. Only emergency services, local authority and statutory undertakers vehicles, removal vans and vehicles being used in connection with building/demolition operations will be able to proceed in the street during these hours and such vehicles can only enter from Hartford Road and proceed in a north-westerly direction.

Between 4 p.m. and 10 a.m. the following day delivery vehicles will be allowed to serve those properties in this part of High Street without rear service facilities; vehicles delivering or collecting cash or securities from banks and building society offices will also be allowed in at these times. Again access is only from Hartford Street and traffic will be one-way.

Grammar School Walk, between its junctions with High Street and the St. Germain Street rear service road will be pedestrianised at all times, all motor vehicles being prohibited.

Additional street parking places for disabled persons' vehicles will be provided in the length of High Street between its junctions with St. Mary's Street and Hartford Road and in the St. Germain Street rear access road; a parking place for taxis will also be provided in the latter location.

Both Orders would feature contra-flow cycle lanes in High Street between the junctions with St. Mary's Street and Hartford Road and at the High Street/George Street junctions. Order No. 2 would also have contra-flow cycle lanes in Hartford Road between the junctions with High Street and Chequer Way and in High Street between the junctions with George Street and Grammar School Walk.

Copies of the proposed Orders, maps showing the alternative proposals contained in them and a statement of reasons for proposing to make the Orders may be inspected at the office of the undersigned and at the offices of the Chief Executive, Huntingdon District Council, Pathfinder House, St. Mary's Street, Huntingdon, during normal office hours.

If you wish to object to any of the proposals or to express a preference for either of the alternative proposals for High Street you should write to the undersigned by 10th September 1984.
