### SEVERN-TRENT WATER AUTHORITY

#### DROUGHT ACT 1976

##### *River Severn Trimpley Intake*

Notice is hereby given that because of an exceptional shortage of rain the Severn-Trent Water Authority are applying to the Secretary of State for the Environment for an Order under section 1 of the Drought Act 1976.

Under the terms of abstraction licence serial number 18/54/2/110 issued by the former Severn River Authority to the former City of Birmingham Water Department and now held by the Authority, the Severn-Trent Water Authority are entitled to abstract certain quantities of water from the River Severn at Trimpley (National Grid Ref. SO 772786). Under normal conditions the licence authorises the abstraction of up to 180 megalitres of water per day. However Special Condition number 2 (b) of the licence provides that during any period of 100 days from the first day in each year when regulating discharges are made from the Clywedog Reservoir the maximum quantity of water authorised to be abstracted shall be 6,000 megalitres (i.e. an average daily quantity of 60 megalitres per day) and thereafter at 60 megalitres per day until the last day when regulating discharges are made. Furthermore Special Condition 2 (c) provides that on any day when the discharge from the Clywedog Reservoir reaches the prescribed maximum of 500 megalitres per day the maximum quantity of water authorised to be abstracted during that day shall be 60 megalitres.

The general effect of the application now made will be to suspend for a period of 6 months the operation of the special conditions of the licence referred to above so as to authorise the Authority to abstract from the River Severn at Trimpley a maximum quantity of water of 180 megalitres per day.

A plan on which is indicated the location of the point of abstraction at the Trimpley Intake may be inspected free of charge at all reasonable hours during the period of 7 days from the publication of this notice at the offices of the Authority at Tame House, Newhall Street, Birmingham.

Objections to the application may be made during the same period of 7 days to the Secretary of State for the Environment addressed to Room B464, Romney House, 43 Marsham Street, London SW1 3PY. It is requested that a copy of any such objection should be sent at the same time to the undersigned.
