TOWN AND COUNTRY PLANNING ACTS

WIGAN METROPOLITAN BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

Designation of Extensions to the Wigan Town Centre Conservation Area and Mesnes Conservation Area in the Metropolitan Borough of Wigan.

Notice is hereby given that in accordance with section 277 of the Town and Country Planning Act 1971 the Wigan Metropolitan Borough Council has designated the following areas as extensions to existing Conservation Areas:

(1) Wigan Town Centre Conservation Area Extension incorporating land south-east of Rodney Street and bounded by Rodney Street, King Street, Chapel Lane and the north-east boundary of 5 Rodney Street.

(2) Mesnes Park Conservation Area Extension incorporating land adjoining the north-east boundary of Mesnes Park occupied by the three storey Rylands Mill Building and associated offices off Bridgeman Terrace, Wigan.

Maps indicating the above areas are available for inspection at the office of the Director of Administration at the Civic Centre, Millgate, Wigan, from 9 a.m. until 4.30 p.m. on Mondays to Fridays.

The purpose of a Conservation Area is to ensure the protection, preservation and enhancement of areas of particular architectural or historic character and importance. In the case of the above areas the Council is of the opinion that by reason of the nature, quality and disposition of buildings, groups of buildings and trees within the above areas, they possess special character and therefore deserve to be both preserved and enhanced.

Briefly, designation as a Conservation Area has the following effect. When considering any proposals for development or redevelopment within such an area the Council will pay particular regard to the effect which a proposal might have upon the character and appearance of the area. While listed building control is extended to all buildings in the area with the result that listed building consent must be obtained from the Council before any building can be demolished, although certain buildings and minor works are excepted. Additional publicity for such development or demolition proposals also becomes necessary. Designation also extends the protection of trees within the area in that felling, topping or lopping of trees without the prior consent of the Council is prohibited. The Council itself will also consider what steps

should be taken in order to improve and enhance the environment and character of each area.

Jeffrey W. Davies, Director of Administration
Civic Centre,
Millgate, Wigan.
