WATER RESOURCES ACT

WATER RESOURCES (LICENCES) REGULATIONS 1965

NOTICE OF PREPARATION OF DRAFT LICENCE TO ABSTRACT WATER

Notice is hereby given that in accordance with Part IV of the Water Resources Act 1963 and Part III of the Water Resources (Licences) Regulations 1965 the Southern Water Authority has prepared a draft Licence embodying the Authority's proposals to abstract water from the chalk underground strata at Barton Stacey in Hampshire at National Grid Reference SU 427 433.

Two existing boreholes are operated by the Property Services Agency to supply water to the Barton Stacey Army Camp and also to nearby communities. When the Army Camp closes later this year it will be necessary for the Authority to take over the boreholes to maintain supplies. Because of Crown exemption, the current abstraction is not licensed but the draft licence required by the Authority authorises the abstraction of up to 90,000,000 gallons per year, 400,000 gallons per day and 20,000 gallons per hour.

A copy of the draft Licence and of maps and other documents relating thereto may be inspected by the public free of charge at all reasonable hours during the period

beginning on 1st February 1985 and ending on 1st March 1985 at the offices of the Authority at Guildbourne House, Chatsworth Road, Worthing, West Sussex, and at the River Way, Andover, Hampshire.

Any person who wishes to make representations with respect to the Authority's proposals must do so in writing to the Chief Solicitor, Southern Water Authority, Guildbourne House, Chatsworth Road, Worthing, West Sussex BN11 1LD, before the end of the said period as above. Copies of such representations will be forwarded by the Chief Solicitor to the Secretary of State for the Environment

After the expiry of the said period the Authority will be entitled to pass resolutions by virtue of which a Licence authorising the proposals shall be deemed to be granted, unless the Secretary of State for the Environment either in consequence of any representations made regarding the proposals or otherwise requires an application for the Licence to be made to him.
