A map showing the additions to the Conservation Area and the area no longer designated may be inspected during office hours at Council Offices, 323 High Street, Epping or Council Offices, Old Station Road, Loughton.

As a result of the variation of designation, special attention will be given by the preservation and enhancement of the character of the areas described in (1) above. In determining applications for development in these areas special regard will be had to such matters as bulk, height, materials, colour, vertical and horizontal emphasis and design. Proposals for development will be advertised by the local planning authority to enable the public to comment. In view of the numerous additional controls relating to these areas anyone proposing to carry out development or work on trees within the areas is requested to obtain advice from the District Planning Officer at Council Offices, Old Station Road,

Loughton, before commencing. Penalties apply in the event of offences committed against these controls.

The area described in (2) above will no longer be subject to such strict restrictions but normal planning controls will continue to apply.
