OXFORD CITY COUNCIL

Car Parks—Review of Charges and Other Matters

Notice is hereby given that Oxford City Council with the consent of the Oxfordshire County Council, proposes to increase some car park charges and to carry out certain other alterations at various off-street car parks in the City

It is promoting an Order, to be called the City of Oxford (Off-Street Parking Places) Order 198 , which would have the following effects

(a) To introduce a new scale of charges at the Abbey Place, Gloucester Green, Oxpens Road, Westgate and Worcester Street car parks as follows

Period—hours	Existing fee	Proposed fee
<i>Daytime</i>		
0-1	35p	40p
1-2	50p	60p
2-3	80p	90p
3-4	£1 30	£1 50
4-6	£1 80	£2 00
6 plus	£2 50	£3 00
<i>Evening and Sunday</i>		
Westgate	20p	30p
Others	35p	40p

The reason for these increases is to recover the projected deficit in the car park account

(b) To introduce new charges at the Barns Road, Cowley Centre car park as follows

Period—hours	Existing fee	Proposed fee
0-1½	30p	30p
1½-3	30p	50p
3 plus	£1 00	£1 00

The reason for these increases, again, is to recover the projected deficit in the car park account

(c) To introduce new excess charges at each of the " pay-and-display " car parks as follows

	Existing charge	Proposed charge
For overstaying	£4	£6
For non-display of a valid parking ticket	£15	£20

The reason for these increases is to ensure that the charges better relate to the national fixed penalty charge for illegal parking on-street, and in order to help recover the projected deficit on the car parks account

(d) To convert the Old High Street, Headington car park to the pay-and-display system with the following charges

Period—hours	Charge
0-2	20p
2-3	30p
3-4	50p
4-6	80p
6-8	£1 00
8 plus	£1 20
Excess charges	As set out in Part (c) above

These charges will apply only between 8 a m and 6 30 p m on Monday, Tuesday, Wednesday and Saturday between 8 a m and 8 p m on Thursday and Friday There will be no charge for use of the car park outside these periods

Season tickets will no longer be issued for this car park

The reason for the conversion to the pay-and-display system is to increase the capacity of the car park for shoppers by abolishing the present flat rate charge (which does not deter long-term parking) The car park is frequently full at present and vehicles arriving at the car park and finding it full cause traffic congestion in Old High Street

(e) To allow vehicles displaying a valid residents' parking permit issued in respect of the East Oxford Residents' Parking Zone to park free of charge in the St Clement's and Union Street car parks This concession will only operate outside the period from 10 a m to 4 p m on Monday to Saturday for the St Clement's car park, and outside the period from 10 a m to 4 p m on Monday, Tuesday, Wednesday and Saturday and from 10 a m to 8 p m on Thursdays and Fridays for the Union Street car park

The reason for proposing to introduce this particular measure is to provide an extra facility for resident parking permit holders in East Oxford which is expected to be of considerable benefit to residents of those streets where competition for available on-street parking is most severe The measure will be reviewed after it has been in operation for six months and should therefore be regarded as experimental

(f) To alter the charging hours at the Diamond Place car park so that they are the same as at the Ferry car park This measure is intended to help the public to understand the charging times It would mean that the variable scale of charges would apply at both car parks between 8 a m and 5 30 p m on Mondays to Fridays and between 8 a m and 4 30 p m on Saturdays

(g) To convert the operational parking area at the Ferry car park to a disabled persons' car park and to control the use of the disabled persons' parking space in Diamond Place This is proposed to make adequate provision for disabled persons

(h) To permit buses to be charged for the use of the Ferry car park

The draft Order together with a copy of this notice may be examined at the City Secretary and Solicitor's Department, St Aldate's Chambers, St Aldate's, Oxford between the hours of 9 a m and 4 p m on Monday to Friday If you wish to object to the proposed Order you should send the grounds for your objection in writing to the undersigned at St Aldate's Chambers, St Aldate's, Oxford by 12th April 1985 Any support for the proposals should also be sent to him by the same date
