TREASURY

RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

NOTICE

TREASURY MINUTE dated 27th March 1985

The Lords Commissioners of Her Majesty's Treasury read section 3 (2) of the National Loans Act 1968 (1968 c 13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 27th March 1985 and until the coming into operation of a further determination

I The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day,

II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (EIP), or by instalments of equal repayments of the principal and interest paid thereon (ER),

III The rates of such interest shall be

- (i) to improve, raise, lower or otherwise alter highways,

- (iii) to construct new highways,
- (iv) to stop up private means of access to premises, and

(v) to provide new means of access to premises, all at Bingham in the County of Nottinghamshire

- (4) The (A52) Nottingham—West of Grantham Trunk Road (Bingham Bypass) Compulsory Purchase Order 1984, notice of which was published on 14th December 1984 and 21st December 1984. This Order is an Order under sections 239 and 240 of the Highways Act 1980 and under section 2 of the Acquisition of Land Act 1981 which, if made, will authorise the Secretary of State to purchase compulsorily the land described therein for the purposes of construction of the new road at (1) above, improvement of the Trunk Road (A52) in the Borough of Boston and construction and improvement of highways and the provision of new means of access to premises in the said Borough in pursuance of the Side Roads Order at (3) above.

Copies of the above mentioned draft Trunk Road, Side Roads and Compulsory Purchase Orders and of plans referred to therein have been deposited, and may be seen at all reasonable hours free of charge, at the Department of Transport, 2 Marsham Street, London SW1, and at the offices of the Director (Transport), East Midlands Region, Cranbrook House, Cranbrook Street, Nottingham, the Nottinghamshire County Council, County Hall, West Bridgford, Nottingham, the Rushcliffe Borough Council, Rushcliffe Civic Centre, Pavilion Road, West Bridgford, Nottingham, and at the offices of the Nottinghamshire County Council, Bingham Library, Eaton Place, Bingham, Nottinghamshire.

The Secretaries of State for the Environment and Transport hereby direct that any person who intends at the inquiries to submit that any highway or proposed highway to which the draft Orders at (1), (2) or (3) above or either of them relate should follow an alternative route, or that, instead of improving, diverting or altering a highway to which the draft Order at (3) above relates, a new highway should be constructed on a particular route, shall send to the Secretary of State for Transport at his address at the offices of the Director (Transport) East Midlands Region, Room 802, Cranbrook House, Cranbrook Street, Nottingham NG1 1EY, not later than 30th April 1985 sufficient information about the alternative route or the route of the new highway, as the case may be, to enable it to be identified. WARWICKSHIRE COUNTY COUNCIL

ROAD TRAFFIC REGULATION ACT 1984

The Warwickshire County Council (Corporation Street, Rugby) (Experimental Traffic Regulation) Order 1985

Notice is hereby given that on 25th March 1985, the Warwickshire County Council made an Order under sections 9 and 10 of the Road Traffic Regulation Act 1984, the effect of which will be, for an experimental period not exceeding 18 months, to prohibit traffic from making right turns out of an into Corporation Street, Rugby, to and from the adjoining side roads

This will be achieved by means of a central reservation, which will be installed in Corporation Street, in three stages

The first section, from a point 15 metres north of the exit from the multi-storey car park to Evreux Way, will operation from 5th April 1985. A gap will be left in this section, opposite the first station, for use by the emergency services only and a yellow boxed junction marking will be painted on the northbound carriageway between this gap and the fire station in order to prevent vehicles, which are queuing back from Evreux Way roundabout, from obstructing fire appliances emerging from the station. Vehicles must not enter the boxed junction marking when other stationary vehicles are preventing them from leaving it. U-turns around the southern end of this section of central reservation will be prohibited.

The second section, from Warwick Street to the Pelican Crossing just south of Chapel Street, will operate from 20th May 1985. U-turns around the northern end of this section will be prohibited.

The final section, linking the first 2 sections, will operate from 1st July 1985. This section will be removed if it is found that the central reservation along the complete length of Corporation Street results in too heavy a traffic flow at Evreux Way roundabout and on the Warwick Street gyratory system.

If this experiment is successful, proposals to make the system permanent will be advertised, and objections invited, during the experimental period.

A copy of the Order, together with a map showing the roads affected may be inspected at the office of the Clerk of the Council, Shire Hall, Warwick, on Mondays to Fridays inclusive during normal office hours.

Any person who desires to question the validity of the Order or of any provision contained in it on the grounds that it is not within the powers conferred by the Road Traffic Regulation Act 1984, or on the grounds that any requirement of that Act or of any Instrument made under it has not been complied with in relation to the Order may within 6 weeks from the date of the making of the Order apply to the High Court for this purpose.
