HONOURS AND AWARDS

CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD

St James's Palace, London SW 1

4th April 1985

The QUEEN has been graciously pleased to make the following appointment to the Royal Victorian Order

(To be dated 21st March 1985)

To be a Commander

The Honourable George Edward ADEANE (1 SI)

TREASURY

TREASURY MINUTE DATED 1st APRIL 1985

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 c13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords note that the Public Works Loan Commissioners will be offering local authorities loans with maturities between one and ten years, on which interest will be variable and payable at one or three or six monthly intervals, and that such loans will be available up to the full extent of the quota for each local authority.

In accordance with section 5 of the said Act the Chancellor of the Exchequer now recommends that the rate of interest for loans on which the rate of interest is variable at six monthly intervals made by the said Commissioners to local authorities (as defined in paragraph 1 of Schedule 4 to the said Act) on or after the start of business on 1st April 1985 until the coming into operation of a further Determination shall be the sum of the six months London Inter-Bank Offered Rate ("LIBOR") and a margin of $\frac{1}{2}$ per cent LIBOR for the purposes of this Determination is the average ascertained by the Bank of England between 10.30 and 11 a.m. on the relevant day of the six months London Inter-Bank Offered Rate of the four largest members for the time being of the Committee of London Clearing Bankers (or all the members if less than four), size being determined by reference to total deposits at the last balance sheet date. The LIBOR applicable to any loans shall be, for the first six months period of the loan (calculated from the date the principal is credited to the account of the authority's banker), the LIBOR in force at 11 a.m. on the date the principal is credited and, for each subsequent six month period, the LIBOR in force at 11 a.m. on the interest payment date beginning such subsequent period or, if that payment date is not a banking day, the first banking day of the interest period.

My Lords concur

The Treasury determine the rate of interest accordingly

The A417 Trunk Road (Little Witcombe, Gloucestershire) (Prohibition of Right Turns) (Experimental) Order 1985

Notice is hereby given that the Secretary of State for Transport has made an experimental traffic regulation Order under section 9 (1) and (2) of the Road Traffic Regulation Act 1984 on the Hungerford-Hereford Trunk Road (A417) near Gloucester on its approaches to Crickley Hill at Little Witcombe in the Borough of Tewkesbury in the County of Gloucestershire. The Order will come into operation on 9th April 1985. At this time it is anticipated that the Order will remain in force for the maximum period authorised by section 9 (3) of the Act, that is to say 18 months.

The effect of the Order will be to prevent any person from causing or permitting any vehicle (other than an emergency services vehicle) from making a right turn out of that length of the trunk road known as Cirencester Road into Green Lane which leads to Little Witcombe Village.

As a consequence of a number of serious accidents (including one fatality) the road marking system on the approaches to Crickley Hill and on the Hill itself have been revised in an attempt to secure the safer flow of traffic. This will make the right turn into Green Lane more hazardous since it involves manoeuvring across the face of two lanes of quickly moving downhill traffic whose forward visibility is limited by the sinuous nature of the road. The number of vehicles which at present make this manoeuvre is very small, and a far safer approach almost with little if any additional inconvenience to road users may be obtained via the junction at the Twelve Bells Public House near Horsebore Bridge.
