EAST SUSSEX COUNTY COUNCIL

The East Sussex (Roads at Robertsbridge) (Prohibition of Waiting) Order 1985

Notice is hereby given that East Sussex County Council proposes to make an Order under sections 1 (1) and (2), 2 (1) to (3) and 4 (2) of the Road Traffic Regulation Act 1984, which would prohibit vehicles from parking along both sides of Heathfield Gardens, Robertsbridge, from its junction with John's Cross Road, westwards to its junction with Bishops Lane; and along both sides of Bishop's Lane, from its junction with Heathfield Gardens, north-eastwards for a distance of approximately 25 metres.

Parking facilities for residents in this area were completed by Rother District Council in 1984, but vehicles continue to be parked along these roads. It is intended that the above proposals will reduce congestion caused by parked vehicles and encourage drivers to make greater use of the parking facilities now provided.

In conjunction with the above measures, the Department of Transport proposes to make an Order which would prohibit parking along both sides of the A21 John's Cross Road at its junction with Heathfield Gardens to prevent congestion along this length of Trunk Road.

Exceptions will be included in the County Council's Order in respect of disabled persons' vehicles, and in both Orders to permit picking up and setting down passengers, loading and unloading goods, roadworks and the maintenance of essential services.

WOODSPRING DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACTS 1971-1974

LOCAL GOVERNMENT, PLANNING AND LAND ACT 1980

Designation of Conservation Area for Weston-super-Mare (Ellenborough)

Notice is hereby given that the Woodspring District Council, by resolution dated 9th July 1985, pursuant to section 277 of the Town and Country Planning Act 1971, inserted by section 1 of the Town and Country Amenities Act 1974 and as amended by the Local Government, Planning and Land Act 1980, have designated the area specified in the Schedule hereto within the district, in the county of Avon, as a Conservation Area, being an area of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance

The effect of the designation will be that special attention will be paid in the exercise of any powers under planning and allied legislation to the desirability of preserving or enhancing the character or appearance of any buildings or other land in the area and to give the District Planning Authority powers of control in relation to certain development, the demolition of buildings with certain specified exemptions, and the display of advertisements in the conservation Area. The provisions of the Town and Country Planning (National Parks, Areas of Outstanding Natural Beauty and Conservation Areas, etc) Special Development Order 1985 which limit the permitted development in respect of single dwellings and industrial buildings and condition development associated with telecommunications will also apply to the area from 1st November 1985. In addition the control over the treatment of trees extended by section 8 of the Act of 1974 will apply in the Conservation Area. The effect of this provision in general terms is that any person wishing to cut down, top, lop, uproot or otherwise damage or destroy any trees not already covered by a Tree Preservation Order must give the District Planning Authority 6 weeks notice of his/her intention. Particulars of such notice are to be recorded by the Council in a register open to public inspection. The purpose of this provision is to give the District Planning Authority an opportunity to make a Tree Preservation Order where appropriate before the work proposed is carried out. It constitutes an offence to begin work without giving the required notice (or without the District Planning Authority's specific consent within the six weeks period).

A plan showing the boundary of the Conservation Area is available for public inspection during normal office hours at the Town Hall, Weston-super-Mare. Having designated the area policies contained within the Written Policy Statement, forming the Weston-super-Mare Local Plan, recently approved by the Council will be applied
