NORTH TYNESIDE METROPOLITAN BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACTS, 1971 TO 1974

Longbenton Conservation Area, Front Street, Longbenton

Notice is hereby given, in pursuance of section 277 of the Town and Country Planning Act 1971 and section 1 of the Town and Country Planning (Amenities) Act 1974, that the Metropolitan Borough of North Tyneside after consultation with the Tyne and Wear County Council have determined that the area described in the Schedule to this notice is an area of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance, and have accordingly designated the said area as a conservation area.

The main effects of the designation of this conservation area is that where any application for planning permission for development of land in or adjacent to a conservation area is made to the Council and either the development would, in the opinion of the Council, affect the character or appearance of that conservation area, or the development is of a kind specified by the Secretary of State, the application will be subject to the special procedure in section 28 of The Town and Country Planning Act 1971. Trees in conservation areas are protected in similar fashion as if they were covered by a Tree Preservation Order which has the effect of prohibiting, except with the consent of the Council, the cutting down, topping, lopping or wilful destruction of any trees. There are also special provisions relating to the demolition of buildings, with certain specific exceptions, in a conservation area, the effects of which are that buildings shall not be demolished without the Council's specific consent as opposed to being merely included in a general permission. Regulations controlling advertisements may make special provisions regarding their control in a conservation area.
