TOWN AND COUNTRY PLANNING ACT 1971

Town and Country Planning (Listed Buildings and Buildings in Conservation Areas) Regulations 1977

Notice is hereby given that:

1. The Cherwell District Council have, pursuant to section 277 of the Town and Country Planning Act 1971 designated the area described in the Schedule below as the Sibford Ferris Conservation Area. 2. The effect of the said designation is as follows:

- (a) All planning applications for development that would affect the character of the area must be advertised and site notices posted so that the maximum opportunity for comment is given to the public before a decision is reached.
- (b) The Cherwell District Council, as District Planning Authority, will exercise particular care to ensure that change, when it occurs, does not detract from the character of the area.
- (c) No building in a conservation area may be demolished without obtaining listed building consent from the District Planning Authority. Exceptions to this rule are those laid down in paragraph 71 of the Department of the Environment Circular 23/77, details of which are available in the offices of the Cherwell District Council. These exceptions mainly affect small buildings within the curtilage of a dwellinghouse, gates, fences, walls or other enclosures, temporary buildings, certain agricultural and industrial buildings, and buildings required to be demolished under the provisions of the Town and Country Planning Act 1971, the Housing Act 1957 or the Pastoral Measure 1983.
- (d) The Town and Country Planning Acts 1971-74 provide that it shall be an offence to cut down, top, lop, uproot, wilfully damage or wilfully destroy any trees in a conservation area (and not already the subject of a tree preservation Order), without giving 6 weeks' notice to the District Council. Specific permission must in most cases be obtained in respect of those trees which are the subject of a tree preservation order.
- (e) The Cherwell District Council will generally only consider only detailed planning applications in this Conservation Area. Sufficient detail must be shown to enable the District Planning Authority to assess the scale, massing, design and materials of buildings, and their relationship to existing buildings. Outline planning applications are not considered acceptable in this Area.
