The London-Great Yarmouth Trunk Road (A12) (Eastway to Eastern Avenue and Slip Roads) Order 19

The Secretary of State for Transport hereby gives notice for the purposes of paragraph 8 (3) of Schedule 1 to the Highways Act 1980 that he proposes to modify the above-named Order. This is an Order which he proposes to make, and which was first published in draft on 30th June 1982 under section 10 of the Highways Act 1980, providing that a route about 4.77 kilometres (2.96 miles) in length within the London Boroughs of Newham, Waltham Forest and Redbridge between a point about 40 metres (44 yards) east of the boundary between the London Boroughs of Hackney and Newham at Temple Mills and a point on Eastern Avenue at its junction with Mansfield Road at Wanstead shall become a trunk road as from the date when the Order comes into operation.

The modification which he now proposes, and which in his opinion will make a substantial change in the Order, concerns that length of the proposed new trunk road at Leytonstone which lies between a point about 50 metres (55 yards) north-east of the north-eastern boundary of Gainsborough Road and a point about 30 metres (33 yards) south-west of the south-western boundary of Selsdon Road, namely the length through the proposed Green Man interchange. The effect of the modification will be to bring together the eastbound and westbound carriageways of the new trunk road so that they lie side by side on a common alignment which substantially follows the line of the westbound carriageway shown in the plan accompanying the Order as originally published. A further effect will be to alter the vertical alignment of the new trunk road, the combined carriageways descending below existing ground level and entering a tunnel about 162 metres (177 yards) in length.

Copies of the draft Order and of an extract of the relevant plan (both as originally published and as now proposed to be modified) may be inspected free of charge at all reasonable hours from 17th December 1985 until 7th February 1986 or within 6 weeks from the date of publication of this notice, whichever period shall expire later, at the Department of Transport, Room P3/061, 2 Marsham Street, London S.W.1; at the Departments of the Environment and Transport, Eastern Regional Office (Transport), Heron House, 49-51 Goldington Road, Bedford; and at the Greater London Council, County Hall, London S.E.1; the London Borough of Hackney, Town Hall, Mare Street, London E.8; the London Borough of Newham, Town Hall, Barking Road, East Ham, London E.6, and at the Municipal Offices, 95 The Grove, London E.15; the London Borough of Waltham Forest, Town Hall, Forest Road, London E.17; and the Municipal Offices, The Ridgeway, Chingford, London E.4; and the Municipal Offices, High Road, Leyton, London E.10; the London Borough of Redbridge, Town Hall, 128-142 High Road, Ilford, Essex; Hackney Branch Library, Eastway, London E.9; Homerton Branch Library, Homerton High Street, London E.9; Leytonstone Branch Library, Church Lane, London E.11; Wanstead Library, Spratt Hall Road, London E.11; and the Central Reference Library, 112B High Road, Ilford, Essex.

CE 411/7/26/05), not later than 7th February 1986.

OXFORD CITY COUNCIL

East Oxford Residents' Parking Zone Proposed Alterations

Notice is hereby given that the Oxford City Council, as agent for the Oxfordshire County Council, proposes to make an Order entitled "The City of Oxford (East Oxford) (Parking Places and Traffic Management) Order 1985".

The effect of the Order will be to make the following alterations to the East Oxford residents' parking scheme:

(a) To introduce a residents' visitors' permit scheme in the East Oxford Residents' Parking Zone.

All adult residents living within the Zone (i.e. the area bounded by the River Cherwell, Morrell Avenue, East Avenue, Bullingdon Road, Iffley Road and The Plain) will be eligible to apply for visitors' permits whether or not they already have a residents' parking permit. Each resident will be entitled to the equivalent of 50 days' worth of visitors permits during any one year. The permits will be valid for the full 24 hours of a particular day. No charge will be made for the visitors' permits.

In order to limit the scope for commuter parking, comparatively few long-term general parking spaces are provided in the residents' parking zone and this hardship to residents' visitors who often find it difficult to park. The visitors permit scheme will benefit both residents and their visitors in offering scope for visitors to park within reasonable distance of the residents' homes.

(b) To reduce by the equivalent of 2 spaces the length of 24-hour parking in Morrell Avenue between Union Street and Cross Street and to introduce a waiting prohibition in that length.

The existing inbound bus stop on the Union Street corner is to be moved to a more convenient position on the Cross Street corner and the alterations to parking arrangements are proposed to enable buses to pull into the kerb by the bus stop.

B2

(c) To provide an additional length of residents' only parking on the north-west side of Union Street north-east of the traffic barrier where at present waiting is only permitted in the evenings and on Sundays.

This additional space is proposed in order to meet demand in the street.

(d) To alter waiting and parking controls in Bath Street to provide a net increase of 2 residents parking places and a net decrease of 1 general parking place in the evening and on Sunday. These alterations are proposed because of development at premises in the street.

(e) To alter waiting and parking controls at the Cowley Road end of Jeune Street to provide a net increase of one 3-hour parking place.

(f) To convert the existing disabled persons parking space in Regent Street to a residents parking space.

(g) The Order also incorporates all other existing traffic management proposals in the residents parking zone area into one Order in the interests of effective enforcement.

Full details of the proposals are in the draft Order which, together with a statement of the Council's reasons for proposing to make the Order and a map showing the affected area, may be examined at the address given below between 9 a.m. and 4 p.m. on Mondays to Fridays. If you wish to object to the proposed Order you should send the grounds for your objection in writing to me at the address below by 6th January 1986.
