OXFORD CITY COUNCIL

The City of Oxford (Central Area) (Traffic Control) (Variation) (No.14) Order 198

Notice is hereby given that the City Council, with the consent of the Oxfordshire County Council, proposes to make the above-named Order. Its effect will be to alter existing and introduce new traffic regulations in connection with the development of Gloucester Green. Full details of the various restrictions, and the exemptions to those restrictions, together with a plan, can be examined between 9 a.m. and 4 p.m. on Mondays to Fridays at my office at the address given below but, in summary, the proposals are as follows:

- (1) *Bus Station Access Road*—all buses will enter and leave the new bus station from George Street along a new road on the line of the present Chain Alley. Waiting will be prohibited in the Access Road. No vehicles other than buses and service vehicles will be permitted to travel along the road.
- (2) *George Street*—a loading ban will apply to both sides of this road from the Worcester Street junction to a point approximately 55 feet east of the junction with the present Chain Alley. The ban will apply between 8 a.m. and 6.30 p.m. on Monday to Saturday.
- (3) *Gloucester Green*—one length of the road, "Gloucester Green", will remain, i.e. the length on the west side of the new development, Threeways House, between Gloucester Street, and St. George's Place. This length of road is at present incorporated into the Gloucester Green car park. The road will be one-way from north to south but no vehicles except hackney carriages licensed by the City Council, cycles, emergency vehicles and police vehicles will be permitted to enter the road at the northern point. No waiting will be permitted on the road and there will be a loading ban between 10.30 a.m. and 5.30 p.m. on Monday to Saturday.

A hackney carriage stand will be provided on the east side of the road.

- (4) *Gloucester Street*—there will be a waiting prohibition throughout the street and the existing doctor and disabled spaces will be relocated to Beaumont Street. At the north end there will be a prohibition on entry into the street and Beaumont Street except for cycles, emergency and police vehicles and vehicles (provided they do not exceed 7.5 tonnes) which require access to off-street parking and off-street loading places at premises north of Friars Entry only.

A short length of this street, between Friary Entry and a point 60 feet north of Red Lion Square, will be one-way from south to north except for pedal cycles which will be permitted in both directions.

The effect of these restrictions is to require vehicles which would exceed 7.5 tonnes or which need to load or unload at premises south of Friars Entry or in Red Lion Square to gain access to the street from the southern, George Street, end. The restrictions are designed to minimise the risk of congestion at the northern end of the street where the open market and underground car park entrances will be located.

- (5) *St. George's Place*—The road will be one-way from north to south. No waiting will be permitted in the road, there will be a loading ban between 10.30 a.m. and 5.30 p.m. on Monday to Saturdays and there will also be a 16.5 tonnes weight limit on vehicles using the road.

A hackney carriage stand will be provided on the east side of the road.

- (6) *Worcester Street*—a loading ban will apply to the whole length of this road between the Beaumont Street and the New Road junctions. The ban will apply between 8 a.m. and 6.30 p.m. on Monday to Saturday.

- (7) *Beaumont Street*—the existing short-term parking on the south side of the road will be removed and replaced with doctors and disabled persons parking spaces which will be relocated from Gloucester Street.

If you wish to object to the proposed Order you should send the grounds for your objection in writing to me at the address below by 26th May 1986. Any support for the proposals should also be sent to me by the same date.
