### TREASURY

#### CERTIFICATES OF TAX DEPOSITS

The Treasury, in accordance with paragraph 1 (iii) of the Series 6 prospectus for CTDs, have announced that the taking of deposits under this prospectus is suspended temporarily with effect from 11 a.m. on 27th May 1986. New rates of interest will be announced, and deposit-taking will be resumed, as soon as possible. (34 SI)

The Certificates of Tax Deposit scheme is operated by the Inland Revenue. The scheme is available to taxpayers generally—that is to individuals, trustees, companies or other persons or bodies—to make advance provision for the payment of tax and other liabilities. The Certificates may be tendered for a wide range of

taxes including income tax (other than PAYE tax and amounts deducted from payments to sub-contractors), corporation tax (including advance corporation tax) PRT, Petroleum Royalty, Supplementary Petroleum Duty and the Gas Levy. Deposits earn interest for a maximum of six years. The Series 6 Prospectus provides that for the first year, the interest rate is that applying on the date of the deposit; the rate is revised to the current rate of interest on each anniversary thereafter. For deposits held under the earlier Prospectus (Series 5) the rate of interest paid is set independently.

The new rates take effect from 28th May 1986 replacing the previous rates which have been in effect since 14th May 1986. The changes to the previous rates are:—

- (a) For deposits of £100,000 and over made under the Series 6 Prospectus and applied in settlement of a scheduled liability.

	New rate	Previous rate	Change
Under one month	10½ per cent	10½ per cent	—½ per cent
Over one but less than three months	10 per cent	10½ per cent	—½ per cent
Over three but less than six months	9½ per cent	10 per cent	—½ per cent
Over six but less than nine months	9½ per cent	9½ per cent	0 per cent
Nine to twelve months	9½ per cent	9½ per cent	—½ per cent

The rate of interest on deposits withdrawn for cash is unchanged at 6 per cent.

- (b) For deposits of less than £100,000 made under the series 6 Prospectus applied in settlement of a scheduled liability the new rate of interest is 9½ per cent. The previous rate of interest was 9½ per cent. The rate of interest on deposits withdrawn for cash is unchanged at 6 per cent.

- (c) For deposits held under the Series 5 Prospectus applied in settlement of a scheduled liability the new rate of interest is 9½ per cent. The previous rate of interest was 9½ per cent. The rate of interest on deposits withdrawn for cash is unchanged at 6 per cent.

# RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

## NOTICE

TREASURY MINUTE dated 29th May 1986.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 c. 13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 29th May 1986 and until the coming into operation of a further determination:

- I. The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;
- II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- III. The rates of such interest shall be:

PWLB Non-quota "B" Rate loans will bear interest at 1 per cent. above the corresponding Non-quota "A" rates.

The amount which a local authority borrows within its annual quota will bear interest at the appropriate rate in the quota set of rates. Authorities may borrow further sums at quota rates at the discretion of the Public Works Loan Commissioners. Other borrowing beyond the quota entitlement will be at the appropriate rate in the non-quota set of rates.

My Lords concur.
