II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.):

It is the only official statement of the complete legislation and incorporates all specific amendments subsequently brought about by both primary and secondary legislation.

The complete edition consists of 90 looseleaf binders, holding some 60,000 pages in all.

The Acts are arranged in over 100 subject groups, which can be purchased separately. Subjects include:

Bankruptcy and deeds of Arrangement	Income, Corporation and Capital Gains Taxes
Charities	Landlord and Tenant
Companies	Legal Aid
Contract	Partnerships and Business Names
Employment	Sale of Goods

Friendly and Other Societies	Tort and Delict

Individual Acts showing all subsequent amendments to the original legislation can be supplied, and an *updating service* is also available to supply customers automatically with subsequent amendments to the legislation — for the whole set, for subject groups, or for individual Acts.
