RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

NOTICE

Treasury Minute dated 25th March 1987.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 25th March 1987 and until the coming into operation of a further determination:

- (i) The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;
- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- (iii) The rates of such interest shall be:

SOUTH SOMERSET DISTRICT COUNCIL

Notice of Application to Stop-up Highway
(HIGHWAYS ACT 1980, SECTION 116, SCHEDULE 12)
Various Streets in Yeovil

Notice is hereby given that the South Somerset District Council of 91 Preston Road, Yeovil in the County of Somerset as agents for the Somerset County Council, the Highway Authority, intends to apply to the Magistrates Court sitting at The Law Courts, Petters Way, Yeovil on Tuesday, 9th June 1987 at 10 o'clock in the forenoon for an Order authorising the stopping-up of the following lengths of highway:

- Park Street* from its junction with South Street for a distance of approximately 102 metres southwards to the north western side of a new length of road to connect the existing Park Street to the existing Summerhouse Terrace subject to the reservation of:
 - the existing footway adjoining the eastern side of Park Street for a distance of approximately 70 metres southwards from its junction with South Street; and
 - a new path for a footway linking the southern end of the footway referred to in (a) above to the existing footway adjoining the western side of Park Street at a point approximately 115 metres south of its junction with South Street and;
 - a new path for a footway adjoining the north western side of a new road to connect the existing Park Street with the existing Summerhouse Terrace.
- Slip road leading from Park Street to Addlewell Lane for its whole length of approximately 44 metres subject to the reservation of a new path for a footway at its northern end along the eastern side of Park Street.
- Belmont Street* for a distance of approximately 36 metres westwards from the head of the cul-de-sac to the south eastern side of a new road to connect the existing Park Street with the existing Summerhouse Terrace subject to the reservation of:
 - the existing footway adjoining the southern side of the above length of Belmont Street; and
 - a new path for a footway along the north-western end of the above length of Belmont Street adjoining the southern side of a new road to connect the existing Park Street with the existing Summerhouse Terrace.
- Addlewell Lane* for a length of approximately 25 metres from the southern side of a new road to connect the existing Park Street and with existing Summerhouse Terrace to the northern side of a new junction joining Central Acre with the remaining length of Addlewell Lane subject to the reservation of:
 - the existing footway adjoining the eastern side of the above length of Addlewell Lane; and
 - a new path for a footway adjoining the northern side of the above length of Addlewell Lane; and
 - a new path for a footway adjoining the southern end of the above length of Addlewell Lane.
- Mill Lane* from a point approximately 130 metres south-east of its junction with Addlewell Lane for a distance of approximately 15 metres south-east to its junction with Summerhouse Terrace subject to the reservation of:
 - a path for a new footway adjoining the northern side of the length of Mill Lane referred to above; and
 - a path for a new footway adjoining the south-eastern side of the length of Mill Lane referred to above.
- Addlewell Lane*, a part of the eastern side of the footway adjoining the eastern side of this road, approximately 17 metres in length and 1 metre in width, commencing from a point approximately 45 metres south of the junction of Addlewell Lane with South Street.

The reason for applying to the Magistrates Court for the Order is as follows:

In the cases of 1 to 5 above, that the lengths of road will be rendered unnecessary by the construction of a new road to connect the existing Part Street with the existing Summerhouse Terrace, which new road will be more commodious to the public.

In the case of 6 above, that the existing footway in this vicinity is wider than is required for public use and that that part to be stopped-up is, therefore, unnecessary.

The effect of the Order would be as shown on drawing number Y-294-51, copies of which may be inspected free of charge during normal office hours at:

- The Clerk's Department, 91 Preston Road, Yeovil; and
- The Council's Cash Collection Office, Municipal Offices, King George Street, Yeovil.

v

FAIRFAX PETROLEUM LIMITED, *et al.* Defendants

Civil Action No. C2-85-1661
Judge Holschuh

Notice of Settlement Hearing to all Persons who acquired working interests in certain Oil and Gas Wells from Fairfax Petroleum Limited

Class Determination

1. Notice is hereby given that the above-captioned action was commenced on October 16 1985, in the United States District Court for the Southern District of Ohio. For the purpose of achieving a settlement of this action, as described hereafter, the Court has ordered that the action be treated as a class action on behalf of all persons who acquired a working interest in the following described oil and gas wells by reason of certain turnkey drilling contracts and other agreements entered into with the defendants, Fairfax Petroleum Limited, Finfax Commercial Corporation, William C. M. Kivlan, Stabb & Montagu Limited, and William C. M. Kivlan:

Wayne County, Ohio

Boreman Well No. 1	Bowers Well No. 8
Boreman Well No. 2	Bowers Well No. 9
Boreman Well No. 3	Coen Well No. 1
Gallapoo Well No. 3	Rice Well No. 3
George Well No. 2	Stull Well No. 3
George Well No. 3	Trivanovich Well No. 5
Gibbons Well No. 1	Trivanovich Well No. 6
Hookway Well No. 2	Weaver Well No. 3
Mykrantz Well No. 1	

Licking County, Ohio

Clippinger Well No. 1	Clippinger Well No. 2
-----------------------	-----------------------

(hereinafter referred to as the "Subject Wells")

Description of Litigation

2. The complaint asserts claims on behalf of the named Plaintiffs and members of the class against defendants Fairfax Petroleum Limited, Finfax Commercial Corporation, William C. M. Kivlan, Stabb & Montagu Limited, and William C. M. Kivlan, individually ("Defendants"). The complaint alleges that Defendants' proposals to prospective investors were described in a Confidential Memorandum which contained materially false and misleading statements which misrepresented the risks inherent in oil and gas exploration in the State of Ohio, overstated the working interest in the Subject Wells to be assigned, and guaranteed delivery of commercial wells defined as

those capable of producing at least 250 million cubic feet of recoverable gas. As a result of these and other misrepresentations, it is alleged that during 1982 and 1983 named Plaintiffs and members of the class made cash payments to Defendants in excess of \$3,000,000, and executed loan agreements and security agreements with Defendants in excess of an additional \$9,000,000.

3. The turnkey drilling contracts, operating agreements, loan agreements, and security agreements executed by named Plaintiffs and other class members entitle them as of the present time to their proportionate share of only twenty-five per cent (25%) of future production, if any, from their respective well or wells, attributable to the working interest after payment of production notes and operating expenses.

4. Defendants have denied the material allegations of the complaint and have vigorously contested the litigation, asserting that there is due to Finfax, under the terms of the original documents, approximately \$14,000,000.

5. After substantial pretrial discovery had been conducted by plaintiffs' counsel, including the deposition of the defendant William C. M. Kivlan, the Defendants agreed to a tentative settlement of the action. For purposes of the settlement only, the parties have agreed that the actions shall be treated as a class action on behalf of all persons who acquired a working interest in the Subject Wells by reason of certain turnkey drilling contracts and other agreements entered into with the Defendants.

Summary Description of Settlement

6. Pursuant to the Stipulation of Settlement and subject to the allowance of fees and expenses to counsel, named plaintiffs and Class Members having interests in the Subject Wells shall be entitled to their proportionate share of fifty per cent (50%) of any proceeds of production held in escrow by the Clerk of Courts and attributable to the well or wells in which they hold an interest.

7. Pursuant to the Stipulation of Settlement and subject to the allowance of fees and expenses to counsel, named plaintiffs and class members having interest in the Completed Wells described in paragraph 6 above shall also be entitled to their proportionate share of sixty per cent (60%) of the working interest, if any, from the well or wells in which they hold an interest until such time as certain arrearages for prior production, if any (as defined in the Stipulation of Settlement), are satisfied. Thereafter, named plaintiffs and class members shall be entitled to their proportionate share of fifty per cent (50%) of the working interest, if any, from such well or wells.

8. Pursuant to the Stipulation of Settlement, Defendants shall also use their best efforts to secure completion of the Trivanovich Well No. 5, Trivanovich Well No. 6, and Weaver Well No. 3 within 90 days, with the cost thereof to be secured by production notes. Upon completion of said wells, class members having an interest in these wells will be entitled to their proportionate share of not less than twenty-five per cent (25%) of the working interest, with the balance of the working interest being applied to payment of the production notes. At such time as the production notes are paid, class members shall be entitled to their proportionate share of fifty per cent (50%) of the working interest, if any, from such well or wells.

9. Existing production notes payable to Phoenix Management totalling approximately \$354,797 as of November 1986, shall be paid exclusively out of the Defendants' share of future production. Defendants shall also satisfy all outstanding obligations to John P. Badami and/or J. B. Energy, Inc., as set forth in the Stipulation of Settlement and shall secure the release of a certain mechanic's lien filed by Badami and/or J. B. Energy, Inc., against the Subject Wells in the amount of \$20,464.

10. All operating agreements with Fairfax Petroleum Limited shall be terminated and new operators appointed for the Subject Wells. The operator of the wells shall be instructed to make distribution of future production proceeds directly to the class members or their designee.

11. Court costs, including those expenses incurred in connection with this notice, shall be paid from the proceeds of production held in escrow by the Clerk of Courts.

12. All claims of class members against Defendants shall be dismissed with prejudice.

The Settlement Hearing

13. The Court has scheduled a hearing to be held on May 13 1987, at 9 a.m. at the United States District Court, U.S. Courthouse, 85 Marconi Boulevard, Columbus, Ohio, U.S.A. in Courtroom 3, to determine whether the proposed settlement is fair, reasonable and adequate and should be approved by the Court, and, if it is approved, the fees and expenses to be awarded to plaintiffs' attorneys.

14. Any member of the class who does not request exclusion as provided below, may appear at the hearing in person or by counsel, and show cause, if any he has, why the proposed settlement should not be approved as fair, reasonable and adequate, and why a judgment should not be entered dismissing the claims asserted in the complaint, on the merits and with prejudice; and why an allowance to plaintiffs' attorneys for fees and expenses incurred in connection with the subject litigation should not be made. However, no person shall be heard unless his objection is made in writing and filed with the Court, together with all supporting papers and briefs, not later than 4th May 1987, with proof of service of said papers showing delivery to:

Attorneys for Plaintiffs:
Emens, Hurd, Kegler & Ritter
Attention: John C. McDonald
1800 Capitol Square

Columbus, Ohio 43215
U.S.A.

Attorneys for Defendants:

Attention: Alec Wightman
2200 Capitol Square
65 East State Street
Columbus, Ohio 43215
U.S.A.

Examination of Pleadings and Papers

15. The foregoing references to the Stipulation of Settlement, the pleadings and other documents in this action are only summaries thereof. A copy of the Stipulation of Settlement, the pleadings, pretrial discovery by means of documents, interrogatories and oral depositions, and all papers filed in connection with this action, are available for inspection during regular business hours at the offices of Emens, Hurd, Kegler & Ritter, attorneys for plaintiff, 65 East State Street, Columbus, Ohio, U.S.A. 43215.

Attorneys Fees and Expenses

16. In a formal application filed with the Court enclosed herewith, plaintiffs' attorneys have applied for fees in the initial amount of \$81,243.75 plus expenses of \$20,371.11, plus additional amounts incurred through the date a final order is issued. Of the total amount requested by counsel, \$30,314.21 has already been paid by named plaintiffs and certain members of the class who would be reimbursed out of production proceeds on a pro rata basis for the funds previously advanced. If counsel's application for fees is approved by the Court in whole or in part, payment of those fees would be made from the escrow and future production prior to the distribution of any revenues to class members.

Due to the contingent nature of recovery and the risk associated with the conduct of the litigation, plaintiffs' counsel have also requested a percentage of the future gross revenue, if any, from the Subject Wells in the event that the Court approves the proposed settlement. That percentage ranges from ten per cent (10%) to twenty-four per cent (24%) of total Working Interest revenue and amounts to forty per cent (40%) of the Class Members' share of future production from which the approved percentage would be paid.

Request for Exclusion

17. Any member of the class may request exclusion from the class by written notice requesting exclusion addressed to the Clerk of the United States District Court, United States Courthouse, 85 Marconi Boulevard, Columbus, Ohio, U.S.A. 43215, Attention: *Ehrlich, et al., v. Fairfax Petroleum Limited, et al.*, C2-85-1661, provided that such notice shall be received by the court no later than 4th May 1987. The court will exclude you from the class if you so request in writing by the specified date.

18. If you do not request exclusion from the class as provided herein, your rights, including entitlement to share in the proceeds of settlement, will be determined in accordance with the Stipulation of Settlement. A class member who does not request exclusion may, but need not, enter an appearance through his counsel. If you do not request exclusion and do not enter such an appearance you will be represented by Emens, Hurd, Kegler & Ritter, attorneys for plaintiffs and the class.

Kenneth J. Murphy, Clerk, United States District Court
6th March 1987. (763)
