SPECIAL EXEMPTION ORDER

Changes in the legislation which restrict the hours worked by women and young people aged under 18 employed in factories, introduced by the Sex Discrimination Act 1986, took effect on 27th February 1987. From that date provisions in the Factories Act 1961 and related legislation apply only to young people; women are still prohibited from working at night by the Hours of Employment (Conventions) Act 1936.

Orders are valid for a maximum of one year, although exemptions may be continued in response to renewed applications.

During the quarter ended 30th June 1987 the H.S.E. granted or renewed special exemption orders relating to the employment of 22478 women and 4005 young persons. On the day of the count a grand total of 64087 women and 13199 young persons were covered by 1983 orders.

Notice is hereby given that in accordance with section 277 of the Town and Country Planning Act 1971, the Wigan Metropolitan Borough Council has designated the following areas as a Conservation Area.

Wigan Pier Conservation Area—incorporating land bounded by Seven Stars Railway Bridge, Seven Stars Road—Milverley Street to include the Seven Stars Hotel, and Vulcanite offices, Pottery Road, Pottery Terrace, Fourteen Meadows Road, Swan Meadow Road, rear of premises south of the Leeds-Liverpool Canal, to the canal aqueduct, rear of 146 Chapel Lane, canal towpath, Woods Street—Bridgewater Street, rear of premises east of Miry Lane and north of Mason Street—Pennyhurst Street; Wilcock Street and the canal.

The purpose of a Conservation Area is to ensure the protection, preservation and enhancement of areas of particular architectural or historic character and importance. In the case of the above areas the Council is of the opinion that by reason of the nature, quality and disposition of buildings, groups of buildings and trees within the above areas, they possess special character and therefore deserve to be both preserved and enhanced.

Briefly, designation as a Conservation Area has the following effect. When considering any proposals for development or redevelopment within such an area the Council will pay particular regard to the effect which a proposal might have upon the character and appearance of the area. While listed building consent must be obtained from the Council before any building can be demolished, although certain buildings and minor works are excepted. Additional publicity for such development or demolition proposals also becomes necessary. Designation also extends the protection of trees within within the area in that felling, lopping or topping of trees without the prior consent of the Council is prohibited. The complete edition consists of 90 looseleaf binders, holding some 60,000 pages in all.

The Acts are arranged in over 100 subject groups, which can be purchased separately. Subjects include:

Individual Acts showing all subsequent amendments to the original legislation can be supplied, and an *updating service* is also available to supply customers automatically with subsequent amendments to the legislation — for the whole set, for subject groups, or for individual Acts.
