WIGAN METROPOLITAN BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

Designation of Wigan Pier Conservation Area, in the Metropolitan Borough of Wigan

Notice is hereby given that in accordance with section 277 of the Town and Country Planning Act 1971 the Wigan Metropolitan Borough Council has designated the following areas as a Conservation Area.

Wigan Pier Conservation Area—incorporating land by Seven Stars Railway Bridge, Seven Stars Road—Milverley Street to include the Seven Stars Hotel and Vulcanite offices, Pottery Road, Pottery Terrace, Fourteen Meadows Road, Swan Meadow Road, rear of premises south of the Leeds-Liverpool Canal, to the canal aqueduct, rear of 146 Chapel Lane, canal towpath, Woods Street—Bridgewater Street, rear of premises east of Miry Lane and north of Mason Street—Pennyhurst Street; Wilcock Street and the canal.

Maps indicating the above areas are available for inspection at the office of the Director of Administration at the Civic Centre, Millgate, Wigan from 9 a.m. until 4.30 p.m. on Mondays to Fridays.

The purpose of a Conservation Area is to ensure the protection, preservation and enhancement of areas of particular architectural or historic character and importance. In the case of the above areas the Council is of the opinion that by reason of the nature, quality and disposition of buildings, groups of buildings and trees within the above areas, they possess special character and therefore deserve to be both preserved and enhanced.

Briefly, designation as a Conservation Area has the following effect. When considering any proposals for development or redevelopment within such an area the Council will pay particular regard to the effect which a proposal might have upon the character and appearance of the area. While listed building consent must be obtained from the Council before any building can be demolished, although certain buildings and minor works are expected. Additional publicity for such development or demolition proposals also becomes necessary. Designation also extends the protection of trees within the area in that felling, lopping or topping of trees without the prior consent of the Council is prohibited. The Council itself will also consider what steps should be taken in order to improve and enhance the environment and character of each area.

J. W. Davies, Director of Administration

Civic Centre, Millgate, Wigan.
