GAS ACTS

Notification by a Public Gas Supplier of intention to execute works for the construction of a high pressure pipeline

In accordance with section 20(1) of the Gas Act 1986 (c.44) the Director General of Gas Supply has received a notice from British Gas plc, a public gas supplier within the meaning of that Act, of its intention to execute works for the construction of a high pressure pipeline for the conveyance of Natural Gas or substitute Natural Gas as follows:

Points between which pipeline is to run	National Grid References
Easington	TA 399 201
Paul	TA 180 252

A copy of each notice and of the accompanying map delineating the route which the proposed pipeline is to take may be inspected free of charge between 10 a.m. and 4 p.m. Monday to Friday in the Library of the Office of Gas Supply, Southside, 105 Victoria Street, London SW1E 6QT (telephone 01 828 0898 for an appointment). Copies may also be purchased from this Library, at a cost of £1 for up to and including five pages and £0.10 per page thereafter, by personal callers between the times given above, or by postal request accompanied by cheque made payable to the Office of Gas Supply.

Sections 20(4) and (5) of the Gas Act 1986 provide that the Director General of Gas Supply may give directions as to the capacity of the proposed pipeline and as to the cost of its construction if satisfied in the light of representations:

- (a) that a demand exists or is likely to arise for the conveyance of gas of, or of a kind similar to, the kind specified in the notice above referred to relating to that proposed pipeline; and
- (b) that the route along which the gas will require to be conveyed will severally be, as to the whole or any part thereof, the same or substantially the same as the route or any part of the route so specified.

Any representations as to such matters should be made in writing and delivered to the Director General of Gas Supply, Office of Gas Supply, Southside, 105 Victoria Street, London SW1E 6QT in such manner that:

- (a) an indication, in respect of the gas for the conveyance of which a demand may exist or be likely to arise, of:
 - (i) its origin;
 - (ii) its quantity; and
 - (iii) the rate at which it might be conveyed, is delivered within 28 days of the publication of this notice; and
- (b) any other and further representations are delivered within 90 days of such publication.
