

WATER RESOURCES ACT AND DROUGHT ACT 1984

NOTICE OF APPLICATION TO VARY A LICENCE TO ABSTRACT WATER

Notice is hereby given that an application is being made by Anglian Water Authority, Colchester Division to the Secretary of State for the Environment to vary licence serial number 8/37/15/122 which authorises the abstraction of water for public water supply purposes from existing boreholes at Mount Bures; Bowdens Farm, Wormingford; and Pops Bridge, Nayland. The proposed abstraction rates are set out in the table below. (The figures in brackets are the present abstraction rates.)

The variation applied for is to rationalise the licensed quantities, to allow for the construction of a third borehole at Bowdens Farm, and to increase the quantity which may be abstracted in any five year period to allow for increased demands.

Abstraction point	Pump capacity litres per second	Daily rate cubic metres	In 1 year cubic metres	In 5 years cubic metres
Mount Bures, Essex	65 (42)	5,600 (3,600)	(800,000)	
Bowdens Farm, Wormingford, Essex	145 (145)	10,500 (10,500)	(5,930,000)	32,000,000
Pops Bridge, Nayland, Essex.	145 (145)	10,400 (10,400)		(29,237,000)

A copy of the application and of any map, plan or other document submitted with it may be inspected free of charge at the Colchester Divisional Office at the address below (telephone Colchester 763344) at all reasonable hours during the period beginning on 18th March 1988 and ending on 15th April 1988.
