TOWN AND COUNTRY PLANNING ACTS

DISTRICT OF WOODSPRING

TOWN AND COUNTRY PLANNING ACTS 1971-1974

LOCAL GOVERNMENT, PLANNING AND LAND ACT 1980

NATIONAL HERITAGE ACT 1983

Notice of Designation of Conservation Areas

(1) *Westleaze and Wyke, Long Ashton*

(2) *Yanley, Long Ashton*

Notice is hereby given that the Woodspring District Council, by resolution dated 26th January 1988, pursuant to section 277 of the Town and Country Planning Amenities Act 1974 and as amended by the Local Government, Planning and Land Act 1980 and the National Heritage Act 1983, have designated the areas specified in the Schedule hereto within the district, in the county of Avon, as Conservation Areas, being areas of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance. The areas in effect form extensions to the existing Long Ashton Conservation Area.

The effect of the designation will be that planning applications for development which would in the opinion of the District Planning Authority affect the character or appearance of the areas will be given due publicity and special attention will be paid in the exercise of any powers under planning and allied legislation to the desirability of preserving or enhancing the character or appearance of any buildings or other land in the area and to give the District Planning Authority powers of control in relation to certain development, the demolition of buildings with certain specified exemptions, and the display of advertisements in the Conservation Areas. The provisions of the Town and Country Planning (National Parks, Areas of Outstanding Natural Beauty and Conservation Areas, etc.) Special Development Order 1986 which limit the permitted development associated with telecommunications, will also apply to the areas, as will the provisions of the Town and Country Planning (Listed Buildings and Buildings in Conservation Areas) Regulations 1987. In addition, the control over the treatment of trees extended by section 8 of the Act of 1974 will apply in the Conservation Areas. The effect of this provision in general terms is that any person wishing to cut down, top, lop, uproot or otherwise damage or destroy any trees not already covered by a Tree Preservation Order must give the District Planning Authority 6 weeks notice of his/her intention. Particulars of such notice are to be recorded by the Council in a register open to public inspection. The purpose of this provision is to give the District Planning Authority an opportunity to make a Tree Preservation Order where appropriate before the work proposed is carried out. It constitutes an offence to begin work without giving the required notice (or without the District Planning Authority's specific consent within the 6 weeks period).

A plan showing the boundaries of the Conservation Areas is available for public inspection at the Information Point, Town Council Offices, Church House, Silver Street, Nailsea between 9.15 a.m. and 12.30 p.m. and during normal office hours at the Town Hall, Weston-super-Mare. Having designated the areas the Council are proceeding with the processing of the Woodspring Rural Areas Local plan, currently in consultation

draft form, which includes a Written Policy Statement formulating the Council's policy for Conservation Areas within the part of the District covered by the Local Plan.

Income and Corporation Taxes Act 1988 ANNOUNCEMENT

On March 7, the Income and Corporation Taxes Act 1988 is to be published by Her Majesty's Stationery Office. This consolidating Act brings together all existing provisions relating to income and corporation taxes, for the first time since 1970.

As a great number of disparate provisions have been introduced in the last eighteen years, the Act is of considerable size. It is thus best used in conjunction with a separate Table of Destinations and Derivations, which indicates both where provisions from earlier legislation are to be found in the new Act, and from whence provisions in the new Act are derived.
